Bible Class Lesson Fifteen:

GROWING YOUR SPIRIT SOUL

Chapter Three

Love One Another

Key Scripture:

“¹⁴And as Moses lifted up the serpent in the wilderness, even so must the Son of Man be lifted up, ¹⁵that whoever believes in Him should not perish but have eternal life. ¹⁶For God so loved the world that He gave His only begotten Son, that whoever believes in Him should not perish but have everlasting life.”

John 3:14-16

Lesson Objective:

To increase our spiritual growth by increasing our understanding of how spirits use our actions to be demonstrative in our lives. To explain the difference in emotions, action, and our ability to feel through our sense of touch. To help us understand that Father God gave of Himself through Christ Jesus through the action of His Love for us. We therefore have to learn to give our love wholeheartedly to Him through our service to Him and to one another.

Lesson:

Love is action. Love is an action. Love is an action made from your choice. Love is action derived from your decision. Love is an action created from your thoughts and is acted out in your choices and decisions—how you move and how you live. Feeling is that which touches your flesh.

Action is spirit (not a demon or an Angel). Spirit is action; the spirit of a thing is the action of it. The spirit of a person is the action of a person. Example: A person has integrity. They do not steal office supplies from work, nor lie on other employees. This action is spirit. The spirit is integrity. The person has integrity and they act it out.

What was just said is extremely important. Why? Because a demon or fallen angel will act out who or what they are. They are spirits and they will do what they are. Example: A prostitute has a spirit of prostitution. It will not and cannot hide because it will act out what it is. A liar will lie—in the person is a lying spirit; so forth and so on...

Please note this: Life and everything in it has as its origin spirit. From spirit comes the earthly. From the Spirit of Father God came other spirits, then humankind—the earthly, temporal,

carnal. So, always remember, if there is a physical manifestation, it has a spiritual origin. If there is a spiritual manifestation, it has a physical fingerprint or action.

In other words, a person suffering from schizophrenia will have schizophrenic spirits whose physical manifestation will be a chemical imbalance in their brains. This would be their physical fingerprint; and their acting out would be the physical manifestation of the spirits dwelling within the person.

Read it again if you did not understand or receive those words, but first ask The Messiah (**MSSH**) for understanding.

Let's take this a step further—into the spiritual realm. Example: A woman likes to sleep around; or a man. This person has the action of an adulterer or a whoremonger. The person spends time and energy sleeping around and finding someone with whom to sleep around. This time and energy amounts to spirit, i.e., a spirit in a person moving them to act out the spirit's desire and the need to sleep around. This is a spirit of adultery or fornication or a spirit of prostitution or any number of sexual spirits in that vein of sinful action.
