### **Bible Class Lesson Twenty-Eight:**

#### **GROWING YOUR SPIRIT SOUL**

Chapter Six

Know Father God is Real

#### **Key Scripture:**

**"For God so loved the world, that He gave his only begotten Son, that whosoever believeth in Him should not perish, but have everlasting life."**

**John 3:16**

#### **Lesson Objective:**

To increase our spiritual growth by giving us insight into who we are in the Holy Family of our Heavenly Father as it relates to Christ Jesus of Nazareth. As our understanding of our spiritual selves grow, then we can move further away from our natural selves—moving to be, speak, and act more like our Heavenly Father as Emmanuel did and does. When our understanding develops wherein we know God, Christ Jesus, and the Holy Spirit is within, then we will be able to better hear them speak to us in and through our daily physical, emotional, spiritual and natural experiences.

**Lesson:**

Christ Jesus is Real

**T**here is a **Heavenly Father**. First, you have to believe that there is a Creator. No matter what His name is or what you believe His name is or what other people call Him, you have to believe there is a Him or Her or It. (Gender is something Father God created to suit us.) But I will go with what the Scriptures ascribes to our Heavenly Father, namely—Him. We cannot fathom Father God in all of His Magnanimous Being. You have to believe that there is a power greater than you are. That power is namely Elohim.

If we are created in the image of Father God, then Father God is both male and female; adult and child. We must believe in Father God, and believe that He died for our sins in the form of Jesus of Nazareth, Who is The Christ. This is the beginning of our journey! Know this: Jesus is alive! God is alive! And They live in you!

Jesus was Father God in the flesh when He walked on earth as a man. We are humans who live on earth in a shell

of flesh with the spirit of Father God dwelling within. Note, the spirit (lowercase "s") of Father God, is the spirit of Father God which Father God put into us as the "breath of life" when man became a living soul. This is the spirit in every man, woman and child on earth. This spirit makes us living souls.

**"And the LORD God formed man of the dust of the ground, and breathed into his nostrils the breath of life; and man became a living soul."**

**Genesis 2:7**

Why do I say that everyone has this lowercase "s" in them? Because whatever God does, never stops. Whatever God does never stops unless He stops it. The example of this is the ever-expanding universe. Once Father **(FTHR)** God created the universe, it never stopped expanding; it is always moving.
