If one is born into poverty, one would have to see through the eyes of faith to ever believe that there was a future where God's Provision was possible.

“That the God of our Lord Jesus Christ, the Father of glory, may give unto you the spirit of wisdom and revelation in the knowledge of him: The eyes of your understanding being enlightened; that ye may know what is the hope of his calling, and what the riches of the glory of his inheritance in the saints, and what is the exceeding greatness of his power to us-ward who believe, according to the working of his mighty power, which he wrought in Christ, when he raised him from the dead, and set him at his own right hand in the heavenly places, far above all principality, and power, and might, and dominion, and every name that is named, not only in this world, but also in that which is to come:”

EPHESIANS 1:17-21 (KJ)

Becoming a Person of Substance. Born in poverty, one would have to see through the eyes of faith to ever believe what was to come in the future of his life.

Many of us know that we are people on a mission, but the truth is that we have no idea where or how our mission would be accomplished. Every ministry has a future. But we must believe in that future or we will never take that first step. It is quite important to know that setbacks are always present, but we are the ones that determine whether those setbacks are to be permanent. Even though we are “Called,” we still have to war

against spiritual evils that are sent to destroy our vision and to discourage us.

God's Angel can help but the war for our destiny is a personal responsibility that we must win. We must understand that God has a central point from which every aspect of our lives operate. That area is called "timing". From the operation of that one word, life can move forward or be hindered. Nations can advance spiritually or regress. Life in the spiritual realm has timing just as life in the natural.

It is vitally important to allow the leading of the Spirit in every call, whether secular or ministerial, God sends Divine relationships to help strengthen our walk with Him. Don't miss your divine relationship in life. There will always be fellow laborers, but divine relationships are few. Unlock the substance that God has placed in your inside and you will fulfill your God-given mandate and purpose.
