Know this: Prayer Works! It is great to pray against the weather and catastrophes, but take prayer some steps further into Emanation. Project your prayers into reality. Say to the Icelandic volcano, "Stop! In the name of Emmanuel our Lord and Savior!" Physical Prayer and Spiritual Belief = Power of Emanation. Pray and Believe = Supernatural Results! Speak to the Mountain!

"Verily I say unto you, This generation shall not pass, till all these things be fulfilled. Heaven and earth shall pass away, but my words shall not pass away. But of that day and hour knoweth no man, no, not the angels of heaven, but my Father only. But as the days of Noah were, so shall also the coming of the Son of man be. For as in the days that were before the flood they were eating and drinking, marrying and giving in marriage, until the day that Noe entered into the ark, and knew not until the flood came, and took them all away; so shall also the coming of the Son of man be."

MATTHEW 24: 33-39 (KJ)

The Coming Messiah. Part Eight. See Part One, Sunday, 14 March 2010.
Father God, Abba Father, make powerless all evil which is in the churches around the world. Christ, make powerless any evil which comes into the churches around the world. LORD, make powerless all evil which attempts to come into any church located on this planet. Emmanuel, make powerless any evil person in any of the churches on the planet. Christ Jesus, make powerless in every church in the world, anything which represents any type of evil. Messiah, make powerless any earth, water, wind, or fire which resides in any church or which is brought into any church, or is used in any church worship, celebration, praise, or ceremony for the purpose of evil, or with evil intent, or results in evil, or is purposed to have a future evil result, or is to thwart, defeat, delay, or stop the Will of Emmanuel or our Heavenly Father in any way. Father, make powerless any replacements to any evil or any representation of evil or anything created by evil which resides in humans or animals or any type of earth, water, wind, or fire in the earth. Father God through Your Precious Son Emmanuel, deposit these evils between fifty (50) to two hundred and fifty (250) meters underground, not on

church property. Thank You for doing this for Your Creation. Selah and Amen. Make Powerless Prayer Six. Continue in your Blessings this day the Lord has placed you in. Each One! Bless One! Emmanuel's Blessings to you! (continuing)

I want you to ask the Holy Spirit to help you to understand what you are about to hear. I believe after this devotional, the LORD will take me directly into the heart of what is unfolding before your very eyes which you cannot see because you are too busy with life, with your life, with your children's life, with your spouse's life, work life, church life, school life, television shows, eating, shopping, and whatever is taking your focus from the Kingdom of Christ.

This misappropriation of your focus will cause this: **“And while they went to buy, the bridegroom came; and they that were ready went in with him to the marriage: and the door was shut. Afterward came also the other virgins, saying, Lord, Lord, open to us. But he answered and said, Verily I say unto you, I know you not. Watch therefore, for ye know neither the day nor the hour wherein the Son of man cometh.” Matthew 25:10-13 (KJ)**

A misappropriation of focus can cause you to miss the Rapture. Know this: Not many Christians will be Raptured. Many will remain here to fight the battles. Many are not ready to go. Know it! Focus on Christ Jesus and the Kingdom of Christ and life will change as we and you know it. Each One! Bless One!

Father, allow the reader and/or the hearer to receive these words, by the Power of Emmanuel's Blood. Amen Holy Father. Here we go. Imagine with me a grand experiment. Father God, a Spirit is floating around in space, in whiteness, with billions and billions of other Spirits, large and small, imagining what to do next.

“Eureka! I have it,” Abba Father says, “My Beloved Son, let Us do this. Let Us make an ant farm of super ants. These ants will be like us, but we will put a cover on them. We will not tell them they are like us, but they will be. Well, in time we will give them enough hints for them to know they are like us, but not at first.”

Christ says, “Okay, Father, whatever You say.”

“But Christ,” Father says, “There is one catch to this.”

“What is that Father?”

“I have to use You as the Construct for this Ant Farm.”

“Me?! Father!,” Christ exclaims. A moment later, “Sure Father, whatever You want, You know I am about whatever You want to do. I am about it, bout it!”

So Father God in His Infinite Wisdom, takes Christ and molds Him into a extremely huge Ant Farm called, “The Universe.” **“But to us *there is but one God, the Father, of whom *are* all things, and we in him; and one Lord Jesus***

Christ, by whom *are* all things, and we by him.” 1 Corinthians 8:6 (KJ)
“And to make all *men* see what *is* the fellowship of the mystery, which from the beginning of the world hath been hid in God, who created all things by Jesus Christ:” Ephesians 3:9 (KJ); Colossians 1:17 “And he is before all things, and by him all things consist.”

Then He says to Christ, “Listen, Son, I am going to take a part of You which is now called dirt or earth or clay and make an ant which we will name “human” and place Your Spirit in the Ant Construct on the earth construct (Ant Farm).”

Christ says, “Okay.”

Father God does this. But the first time He does this, He makes a mistake. I know, I know, Father God does not make any mistakes. But this is what happens... He places the male and female ant together in one body. Oops!

“So God created man in his own image, the image of God created he him; male and female created he them.” Genesis 1:27 (KJ) Please note here that God and Christ are One in the same. **“I and my Father are one.” John 10:30**

So Father God made another stab at this Super Ant experiment. This time he made Adam. All of this to say this: Adam is one of the examples of Christ in biblical history. Christ in Adam. The idea is Christ in us is the hope of God’s glorious victory over evil. (**Colossians 1:27**) Remember, that theme; Christ in you. Now, theologians can tell you there are other examples of Christ in personages in biblical history. Here is one for sure: Melchizedek, King of Salem. (**Genesis 14:18; Psalm 110:4; Hebrews 7:1-6**). Speaking of Melchisedec; **“Without father, without mother, without descent, having neither beginning of days, nor end of life; but made like unto the Son of God; abideth a priest continually.” Hebrews 7:3 (KJ)** Melchisedec (Melchilzedek) a form of Christ. The theme here again is: Christ in you and I is the hope of glory. This, you may recognize now as a “model,” a spiritual model which there are many in the Bible.

Let’s continue. So Father God’s Adam experiment failed. We see Melchizedek as another Christ. Then here we are again back to the Super Ant farm. In comes Mother Mary, Blessed of all women, bearing the Christ Child, Jesus (Emmanuel). Emmanuel means God with us; this is a “dead” give away to the whole experiment: God inside a man. That is that pesky theme again: Christ in you.

Now this Super Ant named Jesus was running around the farm knowing that He was going to have to leave sooner than later. Shucks, he wanted to get back to Heaven and be with the rest of the Spirits and get away from all this “ant” stuff. But He was now in a construct which would allow Him to get back to Heaven and

part of Him remain in the Construct called “The Universe.” The way to do this was to be “Perfect” in a dirty ant body and do not sin; take a lot of harassment and punishment and get crushed by the ant farmers, then and only then, could He go back to Heaven and His Father be victorious with the Experiment.

Now by this time, Christ was tired of playing this “ant farm” game, because you see, as long as the “ants” did not become victorious in learning and knowing that they were like Father God and demonstrated that eventuality, Christ was going to have to go back down to the “ant farm” and play in the dirt with the dirty ants until they got it right. Christ was tired of this. It was probably Christ’s idea to get a virgin, pure in heart to have a baby which was pure enough for Christ to get into in the first place. He was tired of playing in the dirt, because the dirt was dirty and home was pure and clean, clean. And Christ liked that and so did all the other Spirits in clean, clean Heaven.

So now Christ is sitting in Heaven in the form of Jesus and Christ is still in the Construct called “The Universe” waiting for the ants to realize that they are really “Super Ants” so they can do the things that Christ in Jesus did while Jesus was on earth since Jesus said: **“Verily, verily, I say unto you, He that believeth on me, the works that I do shall he do also; and greater works than these shall he do; because I go unto my Father.”** John 14:12 (KJ) (Mark 11:23; Mathew 21:21)

If Christ Jesus could do it, we must try. If Jesus could do it with the Christ inside, we must attempt to do it. **“I can do all things through Christ which strengthened me.”** Philippians 4:13 (KJ) It is important that we be like Christ Jesus in word, actions, and deeds. We must attempt to walk in Spirit and in Truth and attempt to do miracles, signs, wonders, and healings. **“For even hereunto were ye called: because Christ also suffered for us, leaving us an example, that ye should follow his steps:”** 1 Peter 2:21 (KJ)

So as the coming catastrophes approach, we must prepare ourselves by living as holy as possible, attempt to do the miracles that Christ Jesus did so we will have the confidence to say to the mountain, “Stop erupting, have peace in Christ Jesus.” (to be continued)
