Eliminate self by not following the examples of an ungodly society and the icons which those societies hold in esteem. Follow the examples of Jesus, Who is The Christ, Father God in the Flesh.

“I can of mine own self do nothing: as I hear, I judge: and my judgment is just; because I seek not mine own will, but the will of the Father which hath sent me.”

JOHN 5:30 (KJ)

Eliminate self. Part Three. See Part Two, Wednesday, 4 August. You will find people like Dr. Phil or Oprah Winfrey giving you advice to empower self and give **s-e-l-f** a prominent place in your life. There are many people like them, who are in the world, who will suggest to you that it is best to empower self. Do not believe it. It is better to empower the Spirit of Christ in you. Remember, we are in the world but not of the world. Those who focus on self are in the world, and of the world.

This is one of the reasons why we have to eliminate self. This has happened across the game board of life here in America. Everyone and their mother was saying that you should buy a house, not only a house but a big house. So the thought was, (and this was pushed by media around the United States), get out of an apartment and to get into a home. A really big house, if you could afford it—get as much house as you can get. So the mammonites, the money chasing crowd, the bankers, the realtors, and mortgage brokers helped you get into a house that was larger than your budget or right at your budget threshold. This in effect, has caused you to have to struggle to pay that mortgage payment every month or fill your mind with how you will pay all your bills. This takes your focus off of Father God. This puts your bills in the driver seat of your life—the driver seat of your spiritual life.

Our spiritual lives are not to be filled with the “hope” of having prosperity and the good material things of life, but to have “abundant life” and “life more abundantly”

– this relates to and speaks to “spiritual abundant life” and “spiritual life more abundantly.” If you and every Christian on the planet could perform miracles, signs and wonders, then everyone on the planet would and could have abundant life and life more abundantly. But because satan, the antichrist, and mammon has driven a spiritual wedge between the spiritual life and the material life, many Christians cannot see the spiritual trap they are in when they earnestly seek material gain before spiritual gain.

This is called a spiritual trap. As a Christian, you must avoid them. The world, or society, the ungodly society has driven people into mortgages, which many people could not afford. The enemies of Father God and mankind knew what was going to come—and that people would not be able to afford these mortgages. But because people do not follow the Holy Spirit, did not know How to Hear from the LORD, they fell it to the spiritual of trap of financial entrapment. So now what happens is, their emotions, their mental processes, and their directions are focused on how to pay the mortgage; that extra large mortgage that is bigger than their long-term budgets can afford. So they began doing things that are contrary to their normal behavior--this has the effect of taking away their time, which they would have committed to focusing on Father God and His Son Jesus Christ, their families, and the things that the Holy Ghost and the Angels will be telling them to do on a daily basis for the Kingdom of Heaven, the Kingdom of Father God.

The moral of the story is to eliminate self and stop following an ungodly society. If you follow an ungodly society and those who rule and reign in that ungodly society; nine times out of ten, you will become like those ungodly people in that society. Do not get caught in satan's, ungodly economic traps. **“And now, O Father, glorify thou me with thine own self with the glory which I had with thee before the world was.”** John 17:5 (KJ) Empower the SELF of Father God, and Jesus, Who is the Christ in your life starting right now.
