we beseech you to help us in Pakistan. We are after all your Christian
Brothers and Sisters—and we are in dire need here. Help Us!*

“Then shall the righteous answer him, saying, Lord, when saw we thee an hungred, and fed thee? or thirsty, and gave thee drink? When saw we thee a stranger, and took thee in? or naked, and clothed thee? Or when saw we thee sick, or in prison, and came unto thee? And the King shall answer and say unto them, Verily I say unto you, Inasmuch as ye have done it unto one of the least of these my brethren, ye have done it unto me.”

MATTHEW 25:37-40 (KJ)

Dear Brothers and Sisters in Christ, God bless you! Praise Father God for you! How are you? We pray daily for you—the World Christian Community who seems to have forgotten us. And thanks for your help and those people who donate through e blessings. And yes, today we received your help and that will really reach those people who are really affected by flood and those who really need help of other people. And through this you can make many people's prayers come true. I am already working on my many friends who say they will help-- and one friend also says on last day she will donate through e blessings site. We are also spreading the "Urgent " Help appeal.

Approximately, we need a 1000 USA \$ to help people with fully prepared food, water, milk, some clothes, and medicines, etc. And we can give prepared food for one day, with water, milk, and medicine for "\$15 USD". That Makes a Real Difference. "This is a time to make a difference with our help and support."

Many Thousands people lost every things in this flood, people loss their lives, their children, their relatives and lost there cows and other animals and lost their homes and lost their basic things of life. The floods have washed away homes, crops, livestock, and critical infrastructure.

In response to this disaster, our team has established a fund to provide flood survivors with urgently needed items, such as food, bottled water, medicine, tents, baby formula and diapers. There is now a real danger of the spread of water-borne diseases like diarrhea, asthma, skin allergies and perhaps cholera in these areas. "People Cry for Help".

Would you like to donate anything, for food, milk, medicine--many children lost their parents and many parents lost their children. You can donate for these Flood Affected families in Pakistan.
