[A Quick Glimpse into Wealth Building Wisdom](#)

Next Seminar: Saturday, 8 March 2009

I have been preparing for this opportunity for twenty plus years just for a time as this. By the Grace of God, I have been preparing for this present season. And here it is. Can you afford to say no to a seven thousand dollar opportunity which is brought to you at no cost? Sounds too good to be true? **Think:** [a Quick Glimpse into Wealth Building Wisdom](#). Do you want to learn how to use the Bible to gain wealth? Then keep reading.

Hello. I am Dr AC Brown, and I am a changed man. I am also a three-time millionaire coming to you today to share with you, to impart to you, the secrets to my success with money. During these tough economic times, we all are looking for that next best opportunity to make money, to help our families, and to get ahead economically. Simply put: we are all trying to get paid. Today I am going to tell you how to do just that—get wealth, doing it God's way.

You may have asked the Lord how to do what is best during these difficult times. Today I am going to help answer the questions which will help you accomplish those goals which are before you. I will help you increase your church membership – not only to increase your church membership, but to increase the quality of your new and current church membership.

This is an opportunity for sixty of your top people to attend a series of three **Wealth Building Wisdom Seminars**. **A Quick Glimpse into Wealth Wisdom Seminars**.

These three **Wealth Building Seminars** are designed to be beneficial to your institution. These three seminars will be beneficial to your organization. These three seminars which are brought to you by God will be beneficial to your church. This is the answer to your prayers. And the best part of this is **this—these three wealth building seminars are free** to your team members, free to your church members, free to your staff, and free to your congregation.

You may ask? --What are the benefits? -- What is in it for me? – For my church organization?

These seminars will bless your organization with:

1. Increase attendance (reduce tardiness and eliminate no-shows)
2. Growth
3. Leadership promotion
4. Percentage of seminar sales

These seminars will bless your attendees with:

1. Increased quality of life
2. How to do the Word like Jesus does—live a better life.
3. A long life
4. A prosperous life
5. Experience how to live life God's way

Now don't you want that? At the **wealth building seminars**, I will share with you some of the anecdotes of my growing up in North Carolina and how I enjoyed success there and while living in Atlanta, Georgia. I continue to enjoy the success of my past through the success of my family.

At the wealth building seminars, I will share with you some of the tools which helped me to become successful beyond my imagination. I am not only going to show you what God has shown me, but what my father Sam

Brown has shown me, and what life has shown me over my forty-eight year track record.

I will tell you how to gain wealth through good Bible living and good business planning; and let me not forget to tell you that a whole lot of praying is required. Remember, call to schedule your seminar with me and my team at my next available appointment. My team and I look forward to seeing you there at the wealth building seminar where I will show you how to have a long and prosperous life -- doing it God's way.
