*Speak with purpose. God does.*

*Speak with purpose, letting go of idle words.*

*You words are creating your environment... think about it.*

**“So shall my word be that goeth forth out of my mouth: it shall not return unto me void, but it shall accomplish that which I please, and it shall prosper *in the thing* whereto I sent it.”**

**ISASIAH 55:11 (KJ)**

**“Be not rash with thy mouth, and let not thine heart be hasty to utter *any thing* before God: for God is in heaven, and thou upon earth: therefore let thy words be few.”**

**ECCLESIASTES 5:2 (KJ)**

**“Therefore all things **(this includes spoken words)** whatsoever ye would that men should do to you, do ye even so to them: for this is the law and the prophets.”**

**MATTHEW 7:12 (KJ)**

**P**rojecting – 1. Words as projectiles. The other day I was talking to a friend, actually he was talking to me. He was telling me how someone was outside when the weather turned cold without enough clothes on. He told them, “You gonna get sick. You gonna catch a cold being out here like

that.” And he could be right and now almost assuredly it will happen for her. Why do I say that?

Listen. Words are hidden treasures; they have power. A positive word or a negative word is like a pebble in a lake, the ripples go out and effect that which it touches, either negatively or positively depending on the type of pebble dropped into the “living water of life.” It is extremely important when we speak, we use positive words as well as perform positive actions. This is a kin to doing “Church Work” (Doing work inside the church for church folk.) along with “Kingdom Work” (Doing work outside the church for others outside of your church.)

Imagine a lake early in the morning when no one is on it. The water being still and smooth as a sheet of paper. Someone takes a bean shooter, a sling shot and shoots a rock to the center of the lake. The place where the rock hits is the point of emanation. Emanation being that characteristic of God, in us, where we can create that which we imagine. Imagine that rock is a word. A positive word or a negative word. The lake is the “Living Water” of the Heavenly Father we call “life.” It has the magical, supernatural geometric power of increase. Whatever touches this magical lake called life gets magnified. So when a positive word hits it, that word is magnified. Its magnification looks like ripples coursing across the surface of your life and the lives of those you embrace.

These waves of positive or negative change impacts our lives, embracing every aspect of our lives in ways we do not understand. Jesus says, we will be judged for every word no matter how small or brief... **“But I say unto you, That every idle word that men shall speak, they shall give account thereof in the day of judgment.” Matthew 12:36** (KJ) Words can bring water. Words can bring peace. Words can bring hate. Words can bring love. Words can bring a world which speaks out against the

heads of injustice. Words project us into our futures. Words can attempt to hold us back.

Imagine words as Father God's God-Given Instruments, Gifts to create Supernatural Change on the earth, on us, in the earth, in us, called God's Will. We have the choice to make the change positive or negative by the words we use. Words come from the heart and directs our action and the action which comes back to us. Project outwards, the words you want returned to you. **"It is the spirit that quickeneth; the flesh profiteth nothing: the words that I speak unto you, they are spirit, and they are life."** John 6:63 (KJ)

So instead of saying, "Get yo' ?x!<! in this house and change yo' clothes!" Or... "Girl you gonna catch your death with that on." Say, "Lady, you would be better served by wearing something warmer. It is colder than it seems." Words: the difference between life and death.
