Love is God. God is Love. Love is action that reveres Father (worship); action that is obedient to Father (submission), that serves Father (benevolence), and action that is affectionate towards Father (emotion) and all of His Creation.

“Charity (love) suffereth long, and is kind; charity (love) envieth not; charity (love) vaunteth not itself, is not puffed up, doth not behave itself unseemly, seeketh not her own, is not easily provoked, thinketh no evil; rejoiceth not in iniquity, but rejoiceth in the truth; beareth all things, believeth all things, hopeth all things, endureth all things. Charity (love) never faileth:” 1 CORINTHIANS 13:4-8a (KJ)

“And now abideth faith, hope, charity (love), these three; but the greatest of these is charity (love).” 1 CORINTHIANS 13:13 (KJ)

“And thou shalt love the Lord thy God with all thy heart, and with all thy soul, and with all thy mind, and with all thy strength: this is the first commandment.” MARK 12:30 (KJ)

Father God is Love. Part Three. Please see part one, [IDD](#), Sunday, 21 February 2010. Emmanuel Blessings all around! Hello there! Let me tell you a little about myself. I am a North Carolina country boy from a small town, Henderson. When I was five years old, the pastor of our church, [Kesler Temple AMEZ](#), preached that if you talk to God, He will talk to you. Well, I went home to the window sill in the den and began talking to God; Jesus answered. I sat for hours after church and when I could, talking to Jesus. Whenever I went to that window sill, Jesus was there waiting; and we talked. When I was about 8 or 9, my father was going through his [paranoid schizophrenic](#) family nightmare. It lasted 13 years and is dramatized in the book, [Wardaddy](#). I then realized that we are not supposed to hear voices. Needless to say, I stopped going to that window sill; I was afraid.

I didn't hear voices again until I was called by Father God into the ministry in 1977, that is when the Holy Spirit started speaking to me. But in the pulpit when I told my pastor that the Lord said to do this or that, he acted as if he knew not what I was talking about. However, he was truly a man of God; surely. From that point I was highly reluctant to listen to any voice in my head. Later in life, I get "Divinely Delivered" from crack cocaine, a demonic drug; outlined in the book, [iJac?](#). Guess what happened? The Holy Spirit came in like a lion and started talking; and said, "Anthony, make a web site." I said, "Lord, I do not know how to do a web site." Days later, after me nagging the Lord, the Holy Spirit said, "Anthony, the name of the web site is [eBlessings](#)." I didn't hear again until I started moving towards doing a web site, named eBlessings.

What you see on the eBlessings web site is from Father God's Holy Family and as of late, from Father's Throne Room through Jesus and the Holy Spirit and a few Arch Angels. If you say that I do not hear from the LORD, you are in danger of blasphemy. If you say this is deception, you are in danger of hellfire. You can be the pauper in the gutter, the corporate peon, the super-archbishop, or the pope; but if you say out of your mouth or think in your mind that these Revelations and Mysteries and Spiritual Keys are not from your Heavenly Father, you are positioning yourself for Hell Fire! Remember that. I am a humble, obedient, country boy servant of the Father and have prayed to be translated, prayed for miracles and healings to flow from this vessel and as such, I believe this is why, you like I am hearing spiritual divine knowledge that I and you have never heard before; additionally, the Messiah is coming soon; maybe that's why.

Now I want to tell you what was in my heart to write for this devotional—the first one. When I sat down to write what was in my heart, parts one-three came out. I am going to give you part of what I was going to write; then the rest of the devotional from the LORD:

God is love. And He is love and much, much more. But due to the Haiti catastrophe, many of you believe that our Heavenly Father had nothing to do with that pain and suffering. Disciples of the Old Testament, listen; the students are not greater than the Teacher. Focus on the Teacher and His New Covenant. Everything and I mean everything is known by Father (Omniscient) and is allowed or not allowed by Him. But He has set in place spiritual laws that even He must adhere to (Well, He can change them, because He is God, but that would be cheating and He does not cheat!) and He does. He keeps them in place, i.e., law of gravity, law of reciprocity (reap/sow), law of repetition, laws which govern punishment, faith, body functions, earth functions, universe

functions, functions of spiritual beings, and much more. So Father God plays within His own rules; and so does all of His Creation. So if Father says He hates idolatry; He is going to deal with it. If Father says homosexuality is an abomination; He is going to deal with it. If Father says... you get the picture. As my son Marcus says, God not only hates the sin, but the sinner also. **“The foolish shall not stand in thy sight: thou hatest all workers of iniquity.”** **Psalm 5:5** But know this, Christ Jesus would have all to be saved. **“Who will have all men to be saved, and to come unto the knowledge of the truth.”** **1 Timothy 2:4.**

God is love. I know and you know that God is love, but tell that to the single mother who cannot pay her gas bill. You know God is love, but tell that to the mother who just lost her son, or the son who just lost his sister, or the sister who just lost her third baby to miscarriage. God is love, but tell that to the 11 million Hebrews who lost their lives (as the “chosen” of God) or the millions of slaves who lost their lives; or the Negroes who were saved and were slaves who lost their feet, hands, families, and never lost their faith. I’ll stop here. (Now that is how this devotional series was to go; with only one part, maybe two.) (Now the rest of the devotional from the LORD.)

Love is Father God and not a bio-chemical reaction. There was no flesh before Creation; only Spirits. Love is God. God is Love. Love is action that reveres Father (worship, adoration, praise, communion); action that is obedient to Father (submission, service to others, obey His laws, release to Him), that serves Father (benevolence... empathy... charity... towards others) and action that is affectionate towards Father (faith, sympathy, love, forgiveness, Compassion of Christ) and all of His Creation.

It is said that the battle for the soul is in the heart—no—it is in the mind or brain. Remember, the brain controls the heart and all organs. The heart is a physical organ which circulates blood; not some metaphysical cataclysmic producer of emotions. In the brain, the bio-chemical responses to environmental stimuli, affects and effects the entire body through chemistry which the brain signals to go this way and that way throughout our bodies. When that chemistry hits the heart, you feel it. Sometimes when that chemistry hits your legs they buckle; or your lips, they quiver; or hits your eyes, they tear up. But ladies and gentlemen, those are bio-chemical responses.

Here is the kicker. In the beginning, at Alpha time (remember time is a construct created by Father God for man— **SPIRITUAL KEY:** God does not need

time He is time—all time (Alpha/Omega))—in the beginning when there were only Spirits, there were no biological creatures, nor brains, nor chemistry nor flesh, nor heart; only Spirits. **SPIRITUAL KEYS:** However, Father God in His Infinite Wisdom, wanted and wants to be with us all the time, therefore He placed Himself in us as the ability to love—in our souls; as the ability to experience Him daily. When you love, you express your Heavenly Father to others. Your love is an expression of your Heavenly Father to His Creation; and that love powers our ability to defeat evil in our lives.

Listen, to receive a deeper understanding of spiritual things. The battlefield for the spirit/soul is in the brain/mind. For if your mind or brain cannot understand spiritual things, (example: do not believe unclean spirits exist), how can you win a spiritual battle? These scriptures are the ones we focus on: **Matthew 12:34-35**; these are Jesus speaking scriptures—they are Truth, but the antichrist has mislead many away from the Truth. Listen: **“When any one heareth the word of the kingdom, and understandeth it not, then cometh the wicked one, and catcheth away that which was sown in his heart. This is he which received seed by the wayside.” Matthew 13:19** (KJ) The battle is spiritual. Remember, spirit is action. **“For we wrestle not against flesh and blood...” Ephesians 6:12a.** Guess what, the heart is flesh and blood. Hmm. The problem is white people label any and everything. Everything must be in a neat little box. I can tell you that there is a name for those fine hairs around your butt hole. Smile. You gotta laugh! They label everything! So they label everything, correctly or incorrectly. The label for emotions came by way of the antichrist to keep you away from the true definition and meaning and spiritual meaning of L-O-V-E. But the Holy Spirit and Christ is telling me a “verily, verily” Truth. (Thanks [Pastor Dan](#)) (Here is another **MYSTERY**—just received—what we spiritually know as “knowing” or know in your “knower”, or you just “know” something—the Holy Spirit says that is Christ in you—CHRIST. Christ in you, not Jesus (the Flesh man, now Flesh/Spirit)—but the Spirit of God which God placed in Jesus, a flesh man before Crucifixion.)
