*We are presently living in Revelation 17.*

*Revelation 18 is where Babylon gets her reward from Father God.*

“And I heard another voice from heaven, saying, Come out of her, my people, that ye be not partakers of her sins, and that ye receive not of her plagues. For her sins have reached unto heaven, and God hath remembered her iniquities. Reward her even as she rewarded you, and double unto her double according to her works: in the cup which she hath filled fill to her double. How much she hath glorified herself, and lived deliciously, so much torment and sorrow give her: for she saith in her heart, I sit a queen, and am no widow, and shall see no sorrow. Therefore shall her plagues come in one day, death, and mourning, and famine; and she shall be utterly burned with fire: for strong is the Lord God who judgeth her.”

REVELATION 18:4-8 (KJ)

### **Revelation 17**

“1 And there came one of the seven angels which had the seven vials, and talked with me, saying unto me, Come hither; I will shew unto thee the judgment of the great whore (Europa / Italy / England / Europe—imparted into the United States of America—Antichrist principality. People often look here for a nation, or a false church, or false doctrine or universal government; look instead for a principality which is large enough and powerful enough to control nations. This antichrist

principality leaves a trail of suffering, death, and destruction. It is easy to follow it from nation to nation. Its leading edge is war—and other demons which go forth ahead of it.) **that sitteth upon many waters:** (reigns over (power over, reigned over (authority over whether real, implied, or an entitlement)) many nations in different waters (seas, oceans, rivers, lakes, basins, ponds, tributaries. The influence of the former (Italy / England / Europe) is acted out in the latter (America)

## **2 With whom the kings of the earth have committed fornication**

(Raping the land of resources, raping the people of their heritage, raping the ocean of its resources, raping the air of its resourcefulness, raping the people of their destinies due to the infestation of the principalities of greed and avarice and others.), **and the inhabitants of the earth have been made drunk with the wine of her fornication.** (The people go along with the evil of the day, the status quo, “how to make a buck fast,” “how it has been done in the past,” hear: tradition, allowing corporate feudal lords to subdue the land and the population with huge, unnecessary salaries. Who can spend it all in one lifetime? Who would be careless enough, and compassionless enough not to share until it means something to your passion.) and say nothing and act and think and live as if it is okay for moral decay to grow in your teeth as you and your children live in the societal decay of elite entitlement ancient Middle Age belief ushered into the world and held there by Romans—passed to the English—passed to the Americans—who watch television, film, news, sports, arenas, video games, violence, sex, death, and destruction while eating chocolate chip cookies, ice cream, soda, bagels, beer, and an evening martini in the moonlight. Tomorrow it will all be gone and they will wonder where and why it all went.

**3 So he carried me away** (took him from the place of meditation where he was able to have this vision—in the spirit realm (in the ether)) **in the spirit into the wilderness:** (Wilderness: a desert place, a place of sin—outside of Father God’s Will.) **and I saw a woman** (America) **sit upon a**

**scarlet coloured beast** (Antichrist—antichrist comes and goes into her as does a host of unclean spirits. Scarlet colored due to the blood of the saints and the innocent ), **full of names of blasphemy**, (Names of blasphemy and names which represent blasphemy. “God doesn’t do anything bad.” “God would not let my child die. God is not real.” “God does not speak now a days.” “The Holy Spirit is not real.” “Them people acting loud and jumping around in church, jus’ crazy.” “You ain’t got to do all that to get the spirit.” “I can do anything I want and be a Christian.” “I can place my private in someone’s buttocks and go to Heaven.” “I can lie and gossip about people and still get to go to Heaven.” “She ain’t saved.” She didn’t get healed.” “Jesus is only a prophet.” “Mary didn’t have a miraculous birth.” “Gays should be church leaders.” “Christ is not real.”) **having seven heads** (Seven old kingdoms; these will relate to governments and church organizations which typically worked together to achieve their common goals.) **and ten horns.** (Ten new powerful kingdoms; governments, church organizations, new ways of thought, means, purposes. These ten horns bring pain to people by bringing forth the laws which govern the people and by implementing the policies which continue the feudal (ancient kingdom) mentalities.)

**4 And the woman was arrayed in purple** (With the rich people, with the wealthy she was grouped.) **and scarlet colour**, (And with the action people; the people of action which spread death and destruction.) **and decked with gold** (With the decadent people of social status and structure.) **and precious stones** (With the old money people, reticent wealth.) **and pearls** (With the conservative money behind closed doors.), **having a golden cup** (Her wealth, authority, power.) **in her hand** (Ownership.) **full of abominations** (Evil; not just thinking evil or doing wrong, but evil of the worse kind concerning God: abominations. Abominations: **Leviticus 18** and more... ) **and filthiness of her fornication:** (Distribution throughout the world: 1) The raping of language, social mores, morals, sound, music, raping of family. Filth: filthy words, poor moralities, and little integrity in music and music videos; attack

against hearing—iPods—in-house communication broken. (lawlessness, fornication, lasciviousness, envyings, witchcraft, drunkenness, revellings); 2) The raping of all the women of the world: complete filth in pornography whose profits are in the billions of dollars, spreading into homes and minds and hearts (lust, emulations (imaging you are with a person (prostitution of Father God's Power of Emanation), fornication, lasciviousness, adultery, variance); spreading the behaviours of stars: movie stars, music stars, tv stars, sports stars, political stars, corporate stars, wall street stars (Audacity to call them: Masters of the Universe—and they believe it!), etc., (idolatry: giving glory which belongs to Father God to someone or something else. What do you adore? What do you say you adore? What do you just love? What does your heart or behavior say you love? Glory belongs to Father God.) 3) The raping one one's pride with addictions. Addictions of the flesh, tongue, eyes, body, feet, television, drugs, cocaine, sugar, marijuana, beer, heroin (Why are poppy fields growing in Afghanistan? Our tax dollars are supporting poppy fields in Afghanistan, ice, alcohol, chocolate, . (revellings, drunkenness, uncleanness, variance.); (TO BE CONTINUED)
