Veteran Issues is an email newsletter. Its purpose is to inform individuals, and organizations of issues and news of importance to Veterans and Military Retirees. Join one of the oldest, largest, and fastest growing free veteran newsletters, founded in October 1998. This is not a chat list.

Information and issues comes from individual veterans from around the world, as well as a variety of news media sources, veteran organizations, and government agencies.

For some issues recipients are asked to take some action to help solve or publicize the problem. Some key national-level veteran activists, politicians, many local Veteran Posts, and media persons are current subscribers. Use the material sent as need to post on bulletin boards, in local bulletins, email lists, etc.
