Briefly, Bunyoro was the oldest and largest kingdom in Uganda.*

“⁸ I say unto you, Though he will not rise and give him, because he is his friend, yet because of his importunity he will rise and give him as many as he needeth. ⁹ And I say unto you, Ask, and it shall be given you; seek, and ye shall find; knock, and it shall be opened unto you. ¹⁰ For every one that asketh receiveth; and he that seeketh findeth; and to him that knocketh it shall be opened. ¹¹ If a son shall ask bread of any of you that is a father, will he give him a stone? or if he ask a fish, will he for a fish give him a serpent?”

LUKE 8-11 (KJ)

Beloved, happy and blessed 2011 from Kampala Uganda. The purpose of this communication is to request you to help us acquire sound equipment (amplifier, sound Mixer, 4 microphones, loud speakers, keyboard, and generator) to facilitate our outreach mission programs in Bunyoro sub-region Uganda.

Thousands die daily without ever hearing the Good News of our Lord Jesus Christ. We have been called to reach out to Bunyoro in 2011 and sound equipment would highly enhance our mission work. Our Budget for a complete second-hand sound equipment is Shillings 12,758,000 (about \$6,379 USD). Any amount of donation is welcome and a donation in kind is highly appreciated.

Please support our efforts in reaching out to the Bunyoro people. Briefly Bunyoro was the oldest and largest kingdom in Uganda. The people believed that the kings here were gods. Kings were very oppressive and

exploitative. Many people thought seeking out gods would make them like kings and have more authority over others, so people sought God but for wrong reasons and in wrong ways.

This led to most people getting into deep witchcraft. To them every unique thing would lead you to a more powerful god, so people would spend days and nights in forests, mountains, caves, or lakes seeking the gods and got involved in deep witchcraft.

When the first missionaries came they brought religion, not the Gospel; and religion could not help. People remained bound by witchcraft even after joining different religions.

Recently, another cult came—the author claims to be god; the fourth godhead. Many people now believe in his sect, because he came with power which seemed to set them free from witchcraft. This man has very many followers gathers congregations of thousands everywhere he goes.

A blessings and prosperous 2011 is our prayer for you and yours.
