We are to ascribe to attempting the greater works of Jesus Christ!

“¹⁵In a dream, in a vision of the night, when deep sleep falleth upon men, in slumberings upon the bed; ¹⁶Then he openeth the ears of men, and sealeth their instruction, ¹⁷That he may withdraw man from his purpose, and hide pride from man. ¹⁸He keepeth back his soul from the pit, and his life from perishing by the sword. ¹⁹He is chastened also with pain upon his bed, and the multitude of his bones with strong pain: ²⁰So that his life abhorreth bread, and his soul dainty meat. ²¹His flesh is consumed away, that it cannot be seen; and his bones that were not seen stick out. ²²Yea, his soul draweth near unto the grave, and his life to the destroyers. ²³If there be a messenger with him, an interpreter, one among a thousand, to shew unto man his uprightness: ²⁴Then he is gracious unto him, and saith, Deliver him from going down to the pit: I have found a ransom. ²⁵His flesh shall be fresher than a child's: he shall return to the days of his youth: ²⁶He shall pray unto God, and he will be favourable unto him: and he shall see his face with joy: for he will render unto man his righteousness.”

JOB 33:15-26 (KJ)

2012: End of the World? – 11. Many people say, “Anthony don’t talk so much about demons.” “Anthony, don’t talk so much about the world ending.” “Anthony, they been talking about Jesus coming back every since He left. How you know He is coming back.” Father, help Your children understand Your Holy Scriptures better. Help them to flee from television, worldliness, and their idolatries. And

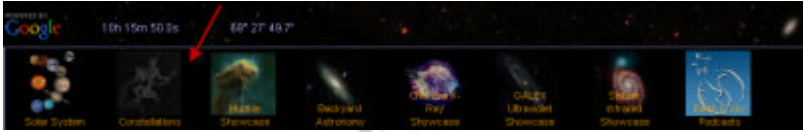

Father help them stop playing church. In the mighty name of our King and Saviour Emmanuel, I command this blessing upon Your children, both now and forevermore. Amen. (CONTINUING)

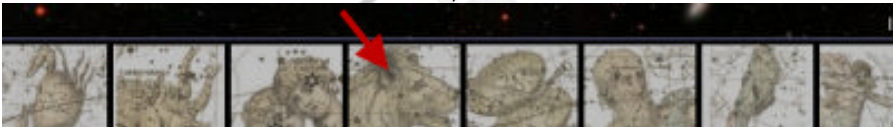

Verily, verily, I say there is always (this is an absolute that holds true) a physical

manifestation of a spiritual presence. (As it is in Heaven, so it is on earth.) So the physical manifestation of the spiritual coming of our Messiah is the Trojan asteroid and the coming solar system with the planet known as Planet X.

The place on the Internet where you can see this solar system is on Google. Here is how to see it. 1) Go to www.google.com/sky; 2) At the bottom of

of the screen click on “constellation”; 3) On the constellation screen click on

“Leo”; 4) At the top right corner of the screen, click on “infrared.” You will get an outer space telescope view of the constellation Leo in an infrared perspective.

The coming solar system is on the right side of the black streak.

You will see a heavenly body with two beams of energy streaming from its top and bottom. This is the dwarf sun which is at the center of this solar system. There are visibly about

four other heavenly bodies around this red (brown) dwarf sun. You may have noticed in the morning, a pinkish or blush (rose) tinted sky. I believe this is the result of the sun in this coming solar system. This solar system is moving at about 64,000 miles per second. It is less than 4 light years away.

May the Lord bless and keep you and prepare you to get as many souls saved as possible.
