Dear Friends and Partners,

I want to thank you for your support towards our Children Christmas Party for the Orphans in Hoima. Like I mentioned in my report, 122 Orphans and 24 Widows from 17 churches attended. It was great opportunity to bring a smile on these little ones during Christmas season as the world celebrated the birth of our Savior and Lord.

Our Desire is to further get involved with these orphans by providing them scholastic materials (books, pens and pencils) as these orphans go back to school. Our Government provides free education, but the orphans are unable to enjoy fully these government programs because they lack basic needs in school. Schools begin January 30 2012 and our plans is to distribute scholastic materials on 23 January 2012.

Our Budget for every child per term is Shillings 20,000, which is about \$10 amounting to \$1,220 per term for all the 122 children. The program will include these orphans coming at our Resource Centre every Saturday where they will be trained and disciplined in the Lord. Attached are photos of the children Christmas Party.

FATHER GOD BLESS YOU AS YOU HELP SUPPORT OUR EFFORTS
