2012 May June Ministry Report

My Dear Friend Brother James Anthony Allen

May June Ministry Report. Part One. I do hope that you enjoyed the summer. Every time I think of you I give glory to God. In all my prayers for you, I always pray with joy. I would not have met you if I was lost in my sin. I was once lost in my 33 hundred millions Hindu gods but now I am found. I am thankful to God for choosing me. I am his unworthy servant, worthy not even to untie the thongs of His shoes. I believe the Lord has called me to encourage and equip leaders for the work of ministry in Nepal. We have been spreading the gospel of Jesus Christ since 1995 and I must thank you from the bottom of my heart for allowing me to serve the Lord in Nepal where the gospel has not been preached openly.

Football team

Our football team played matches in the national qualifying league in May. We were able to impact nation in sport by our prayer and distribution of gospel tracts and

sharing the gospel with young people. Football in Nepal has introduced us to many people. It is a medium to reach people. We had a very good chance to share the gospel with them while they

were as a team. It is not just playing; we share our faith to them. Many Churches now days are aware of the importance of the sports ministry in the Church. More than half of the population and the children involve in some way of sports. There are many worlds, like industry world, farmer's world, sports world, student's world and we must bring gospel to all of them. Our effort is least in great commission but we are doing what we could do to win them to the Lord.

Rita's Graduation

I am so glad to see Rita complete three years of her Bible College from Jesus College in Kathmandu with Bachelor in Theology. She has learned so many subject and things about God and the ways of ministry. She can be a good help to me in ministry. I

want you to pray for her just like you do for me. She is planning to lead youth to the outreach, mobilize women to help other women in the need and you would probably hear from her soon about this. She needs your prayer and encouragement as she head up in ministry. She is hospitable in home and in Church. She ministers to the need of the poor and widows. Now she is going beyond this, she is leading the teams to share the gospel around Nepal. Now we can do more together. Your financial help really help us do the work of the gospel in Nepal.
