2012 May June Ministry Report

My Dear Friend Brother James Anthony Allen

May June Ministry Report. Part Three. Bible Distribution

We were able to distribute Bibles to needy people around Nepal. These Bibles are sent by friends overseas many of whom we never have met. There is no English Bible printer in Nepal, so all we get is from friends around the world through regular mail. People request Bibles with us and as we travel around Nepal and we go distributing them. Even the Hindu and Buddhist they ask Bible. Thanks to all who made contribution of Bibles for Nepal.

Home Stay in Nepal

We have started a home stay service in Nepal for Christian guests who is/are traveling to Kathmandu can 'Come and Stay with us' Acts 16:15. Just as 2 King 4:10 we have room, bed, table, chair, lamp stand, and more then that we have Kitchen, sitting room/meeting room, Internet, washing machine and dryer, big groceries store nearby. Originally this place is a rest house for Pastors and Christian leaders that come to visit me from village. This was empty anyway. Something came in my mind. I was inspired by this Shunammite woman who offers

hospitality to Prophet Elisha. Ministry has increased and we have Pastors visit us every week. This guest house provides them rest, and Rita is busy cooking for them, like the Shunammite woman. She prepares best food in the world, come and tastes her cooking. I want to put one Laptop in this house so that Pastor can use Internet while they are here. Anyone who wants to bless this house with Laptop can contribute. Our Home Stay service is not for business, it is our desire to bless mission travelers. We want to be a small part in their ministry by providing rest for them. So if you know any one traveling to Nepal, kindly tell them about our home stay.

Upcoming programs and prayers

Bible School 2012

I heard people say I am a proud member of Liverpool Football Club. I heard people say I am a proud member of XXXXX Church. What I learn from my experience from Jesus is we are not called to be a member of the Church. We are called to make disciples. Member and Disciple is very difference.

Member stay,
Disciple goes out.

We are disciple who makes other disciples. In the Church, you can't be a proud member, you should be a

proud disciple who go out and make disciple. That is what we are doing through your help. We are making disciples who go out and share the gospel and win people to Jesus. We all have call from Jesus Christ to go out and make disciples. We have 6th Bible School starting from August 21 and I 100 % believe that you would pray and share others who would be interested to pray for this Bible School. Together we can make disciple makers.

Conference in Barhabise

People and leaders in Nepal are hungry for the fresh teaching and fellowship with one to another. We are small group of people who emphasis staying together, just workers and Pastors. We have leadership conference in September and we want to request you to please remember us in your prayer.

Students Retreat Program

This Retreat program is for students who were trained in our Bible School. It is good to meet them, hear their ministry report, their testimony, their need and challenges. We want to be a small part of their ministry and encourage them to serve God. To me personally this is very important to meet with the students.

And finally, there were 8 people gave their life to Jesus in May June.
