Beloved in the Lord

“When the poor and needy seek water, and there is none, and their tongues are parched with thirst, I the LORD will answer them; I the God of Israel will not forsake them. I will open rivers on the bare heights, and fountains in the midst of the valleys. I will make the wilderness a pool of water, and the dry land springs of water.”

ISAIAH 41:17-18

Water4Life project. Our Water4Life project Started as a thought then to an idea now is blessing communities with clean and safe drinking water. The need of water in Uganda communities is high. I have applications from several villages all desiring us to provide them with clean and safe drinking water. Each village with a painful story of what they go through to find just a drink. These stories include children walking five (5) miles to the nearest source, sharing water with animals and spending days without a bathe.

We believe God has called us to be his co-workers in answering the needs of the poor and the needy of our generation-- **Isaiah 41:17-18. When the poor and needy seek water, and there is none, and their tongues are parched with thirst, I the LORD will answer them; I the God of Israel will not forsake them. I will open rivers on the bare heights, and fountains in the midst of the valleys. I will make the wilderness a pool of water, and the dry land springs of water.”**

In answering these applications, our strategy has been to mobilize those communities to pray and seek God who is the giver of all good things. We are glad to inform you that God is answering their cry and now boast of: 1) finished hand water pump for Jokolera community—

We however want to see more action and that's why I am writing this email requesting you to become our partner in Water4Life project. Help provide clean and safe drinking water for 500 homes with just \$3,500. Several communities now hold weekly prayer meeting seeking water. You can help answer their prayers by:

1. Donating generously and mobilizing others to donate this Water4Life project,
2. Praying and mobilizing others to pray for these,
3. Invite me to fundraise in your church or do fundraising on our behalf.

Through providing these communities with clean and safe drinking water, we are opening their eyes to Jesus Christ who is the source of Living water. Prayerfully consider joining our team and let me know how the Lord directs your heart.
