Pray that the power which comes from the "rulers of darkness" be made powerless and that whoever and whatever is using that dark light be cut off from that energy coming from that dark light and that darkness be made of no effect.

"The light of the body is the eye: therefore when thine eye is single, thy whole body also is full of light; but when thine eye is evil, thy body also is full of darkness. Take heed therefore that the light which is in thee be not darkness. If thy whole body therefore be full of light, having no part dark, the whole shall be full of light, as when the bright shining of a candle doth give thee light."

LUKE 11:34-36

"And ye shall flee to the valley of the mountains; for the valley of the mountains shall reach unto Azal: yea, ye shall flee, like as ye fled from before the earthquake in the days of Uzziah king of Judah: and the LORD my God shall come, and all the saints with thee. And it shall come to pass in that day, that the light shall not be clear, nor dark:"

ZECHARIAH 14:5-6

Rulers of Darkness-2. Part Two. Please read Part One, Friday, 10 June 2011. Thanks. The Lord Jesus is illuminating me with revelation concerning light and darkness, day and night; dark light as opposed to light (clear or white) light. Father God forgive the reader of their sins and remove any unforgiveness from their being in the name of Emmanuel, right now. Father in the name of Immanuel, allow the reader or the hearer to receive Your Revelation into their understanding and knowledge and into their spirits. Thank You for that Father, Jesus and the Holy Spirit. Amen. I command these blessings upon you right now. Thank You Father for that. (CONTINUING)

The Holy Spirit illuminated me with these words after hearing a report on television about Lady Gaga. After I heard the report, I saw in my mind's eye the report about her on television and I knew that she was a "dark" person, a person who had a legion of devils, demons, or for the intellectuals, a person who demonstrated a negative demeanor in her actions, words, and how she

presented herself—a person with darkness—in league with the rulers of darkness. This is quite evident. In my life I attempt to live in the spirit as much as possible because: **“God is a Spirit: and they that worship him must worship him in spirit and in truth.” John 4:24** I have the Holy Spirit indwelling and as soon as I began to wonder how Lady Gaga was so powerful and having so much influence with children and young adults (when I wondered in my “spiritual heart,” in my “spiritual mind,” i.e., in my spirit, I began to receive this revealing. I am going to attempt to give it to you as it came to me, not all dressed up okay?

Pray for the Father in Jesus’ name to allow you to receive His Truth in what you are about to read. Listen very closely to this. 1) **“And God said, Let there be light: and there was light. And God saw the light, that it was good: and God divided the light from the darkness. And God called the light Day, and the darkness he called Night. And the evening and the morning were the first day.” Genesis 1:3-5** When Father God made light, He made light (or white light or “clear” light) and He made dark light. They both were and are a component of the “light” He created through His Emanation. Verse four says, Father saw that the “light” was good. Then Father divided “light” from darkness.

Now listen, you must realize what we have received and what we know from earlier revealings concerning “time”, i.e., time being something created for humanity and time being linear for humanity. This means this Genesis Scripture does not have to fit into our reality of time and how it works for us. No flesh was created at this time. This could be the beginning of time in which humanity operates, but this Scripture does not operate in the “linearity” of time. All of this to say, when we try to place the fall of Satan into this creation beginning, it may not fit like we expect because of the “time” factor.

Now the “darkness” mentioned in this Scripture and throughout the Holy Bible relates somehow to evil and how evil uses and accesses that darkness in the pursuit of the “evil” or “dark” agenda. Keep reading. (TO BE CONTINUED)
