Each One! Bless One!

* * * * *

Darkness or evil can be projected into people through their eyes, ears, actions, and more. This is one reason Christians are taught to separate themselves from evil. Evil behavior corrupt good manners.

"¹⁹ And this is the condemnation, that light is come into the world, and men loved darkness rather than light, because their deeds were evil. ²⁰ For every one that doeth evil hateth the light, neither cometh to the light, lest his deeds should be reproved." JOHN 3:19-20

"Then spake Jesus again unto them, saying, I am the light of the world: he that followeth me shall not walk in darkness, but shall have the light of life." JOHN 8:12

Thanks. Father God forgive me of my sins and remove any unforgiveness from me. Father bless You and Your Will in all of Your Creation in the name of Jesus Christ of Nazareth, Emmanuel. Right now Lord! Thank You for that Father.

(CONTINUING) Let me make a correction or an addition here. (Another thing to note is that the day began with "darkness" not with "light". **"And the evening and the morning were the first day." Genesis 1:5**) The word for evening (H6150) means: dusk: - + day, even (-ing, tide), night. What this means in my understanding is that "Day" has at its beginning a mixture of darkness and light. How I know this is significant is the Lord has shown me how to go in and out of the "ether" (the spiritual realm) and has revealed to me the times which are the easiest to do it: 1) as you go to sleep, 2) as you wake up, 3) dawn, and 4) dusk. Dusk or the beginning a day (day=which is evening of one day until the evening of the next day) is a combination of light and darkness—"clearlight" turning into or becoming "darklight." See the "[Ether](#)" devotional series.

Anthony, what is the point of this, you may ask? The point is this: before our regeneration, our spiritual regeneration, we have darklight in us. Once regenerated we have clearlight in us or the Light of Christ Jesus, the Light of

Father God in us. I will talk to this later in this devotional, but first let me move onto the main point of this devotional: Lady Gaga and then onto the 2) the Dark Rift, 3) Dark Matter, and 4) Dark Light in people.

Since I am well-read, I knew about scientists saying that largest form of matter in the universe was that blackness which lies in between celestial bodies, which they named: "dark matter." Spiritually, I recognized it as "darkness." In conversation and reading, I have learned that many in Hollywood and in the music industry are into the "black arts" or witchcraft. I have heard that you cannot find success in the music industry unless you accept the "black arts."

With this in mind, I saw in my mind's eye, Lady Gaga on stage at an outdoor amphitheater, calling on the darkness, the power of darkness to come into her and through her (remember, our bodies are designed as spiritual temples or temples to house spirits—know you are spirit, housed in a body). This darkness, this evil was being projected from her (thru actions, words, visuals) into anyone who looked upon her. How you may ask? **"²² The light of the body is the eye: if therefore thine eye be single, thy whole body shall be full of light. ²³ But if thine eye be evil, thy whole body shall be full of darkness. If therefore the light that is in thee be darkness, how great is that darkness!" Matthew 6:22-23** (This is why the covetousness box (television) needs to be limited to Christian programming for those called by His name.) Then I went to the Holy Scriptures and prayer and waited for the Holy Spirit to illuminate me. Here is the kicker: I prayed for the connection between Lady Gaga and the power she was getting from the "darkness" to be severed, to be broken, so she could no longer get power from the darkness, nor spread it into our Father God's Creation.

I will come back to how darkness (through the Adamic curse) is a part of us until we are regenerated. Let's move on to 2) [Dark Rift](#). I lived temporarily with a former satanic worshipper. I did not know when I initially moved in with the person that they had that past. But I learned things from this person that I do not think I ever would have learned otherwise. (TO BE CONTINUED)
