*Wisdom from Asekor's Journal, Part Four*

“Happy *is* the man *that* findeth wisdom, and the man that getteth understanding. For the merchandise of *it* is better than the merchandise of silver, and the gain thereof than fine gold. She *is* more precious than rubies: and all the things thou canst desire are not to be compared unto her. Length of days *is* in her right hand; and *in* her left hand riches and honour. Her ways *are* ways of pleasantness, and all her paths *are* peace. She *is* a tree of life to them that lay hold upon her: and happy *every one* that retaineth her.”

**PROVERBS 3:13- (KJV)**

**T**o the soul that cost you to stumble and left you to wither like the dying leaf, I say forgive her, and embrace her as a sister for the same cause that you may be set free and join together and fight the fury of hell, for our battle is not against flesh and blood, but principalities and powers.

Procrastination is a hindrance to a blissful dream, embrace it and you will nourish a future of destitution, but resent it, and your mind will never cease to be adroit in its abilities.

Life without purpose is unbearable as a scarlet letter; embrace a calling and the treasure of tomorrow will never cease from your path.

Enter a new dawn with wisdom and courage; do not pay heed to those complacent souls that has caused your feet to stumble. Look to the future and count on God to be in control.

To engage in a sin continuously is to lose a blissful destiny that awaits you. Reassure the wife of your youth how much you adore and care for her cause in a twinkle of an eye she maybe no more.

Let your being exhort in praises the glory of God, and if your hand is cut off, use your mouth, if your mouth is shut, use your feet. Pay attention to the leaf and you will learn the key to praises.

To the broken soul whose heart's depression has taken hold, do not take pleasure in rest or else your mind will degenerate in the dexterity of your craft.

Deviate from a path that leads to hopelessness, but embrace the consonance heart that flows in praises with your soul.

You must articulate your goals and relinquish every complacent emotion that may hinder your future. Things that may seem disdainful could be a leverage to rise you above your plight, therefore, don't deviate the profound path that will propel you to eternal bliss.

Disengage from a bond that thrust apathy within your soul, with her, the adverse wind of adversity will never cease from your path, therefore; dispel the emotions that engages her with your soul, her presence will hinder your steps and bring dissension to your nerve.

Let the mind lead your walk and prevent the heart from ordering your steps. With the mind, the heart will engage in a solid steps, but with the heart, the mind will degenerate from the dexterity of a blissful dream.

Suppress a habit that is tenacious to the soul, engage in it continuously, and your life will crave thirst.

Devise a plan with discernment and prayer, and deviate the emotions that seek to deplete your soul to an envious foe.

Do not disengage your life from the world, because every soul that stumbles across your path is certain to divulge a divine purpose.
