Finish the work of The Messiah.

Remember you have brothers and sisters around the world.

“Jesus saith unto them, My meat is to do the will of him that sent me, and to finish his work. Say not ye, There are yet four months, and then cometh harvest? behold, I say unto you, Lift up your eyes, and look on the fields; for they are white already to harvest. And he that reapeth receiveth wages, and gathereth fruit unto life eternal: that both he that soweth and he that reapeth may rejoice together.”

JOHN 4:34-36 (KJ)

Harvest Fields of Kamlia and Chichawatni. Dear Brother Anthony Allen, greetings to you all in name of Lord Jesus Christ! I hope you are fine, We are also good, thank God for all blessings in our lives! I would like to share with you the report of our last week. In last 6 days, we have been busy with the city of Kamlia and City of Chichawatni and the villages surrounding these cities. I would like to share with you that the city of Chichawatni, we newly choose to work there, this is big city, where they have 4 Christian colonies and several villages that are totally Christians and land is also owned by Christians. Christians have good property in those villages. But in city colonies, where we have estimate that there have more than 5,000 Christian families. This is very very ideal for us to work with them and to give a change to them and make a change in their lives.

SITUATION OF THE CITY:

Financially poor, most of uneducated, living in colonies, facing persecutions in their daily lives, no opportunities for good jobs or even opportunity to take a class

to learn a trade. They are living a hand to mouth life and have profession of sweeper (cleaning road, and sanitary work). Muslim considered Christian as unclean creations, simple because we are Christians. (this is part of their faith). Some young Christian girls are working to clean the houses of rich Muslims and not going to schools. Because of illiteracy, this community have not much knowledge of the Word of God! They have not good leadership and live a fearful life. They are lack awareness.

OUR MISSION WITH THEM:

We are working.

- 1- To organize them, make their groups, children's groups, youth girls, youth boys, adults and old age.
- 2- To start God work among them, via children Bible schools, youth services, programs, Bible college, and home churches and make a network of Christian in their city.
- 3- To raise leaders and prepare God servants, Pastors, Evangelists, social workers.

WE REQUEST YOU FOR PRAYERS FOR OUR NEEDS:

OUR URGENT NEEDS:

We seeking the administration cost for all these activities mentioned above; financial help and spiritual material for our preaching mission in city Chichawatni. If you would love to share yours other gifts to these community.

WE HOPE TO HEARING FROM YOU SOON.

May God richly bless you with HIS wisdom and truth!

SEEK GOD!
