*The is no such thing as earthquake proof anything. Do not live in denial of the truth. This is not global warming, its earth regeneration. The earth will survive its regeneration. Will you? The MESSIAH is coming! !MARANATHA!*

**“But the day of the Lord will come as a thief in the night; in the which the heavens shall pass away with a great noise, and the elements shall melt with fervent heat, the earth also and the works that are therein shall be burned up.”**

**2 PETER 3:10 (KJ)**

**E**nd of the World? 2012—The Movie. Part One. Emmanuel Blessings to all of Father's Creation. The Favor of the Lord Christ Jesus be upon every living thing to move all towards and live now in His Will, and Divine Nature and Obey the Voice of the Father and His Christ. Selah and Amen Holy Father!

Let me us these devotionals as a stage to tell you things which need to be told in addition to the devotional itself. Be aware that when I was “divinely delivered” from the crack cocaine demon, the lies of the antichrist were revealed to me on a daily basis and thus the book series, “The Flesh Soul versus the Spirit Soul Series.” [Is JESUS a crackhead?](#) Is the introductory book with the first book awaiting me to transition it into a perfect bound book. AC Brown's two books have played interference and are about to be complete. So [Asekor](#) and all, I apologize for the mistakes in yesterday's devotional. I was falling asleep between the first page and the second; that is how tired I was. Instead of being critical, all, know that this [“eBlessings”](#) work is disastrous for satan's kingdom and therefore he is sending his minions to disrupt, delay, and attempt to stop it anyway possible.

I know a Father unlike any other and His Angels have been keeping watch over me and allowing me to continue to receive the spiritual Manna from the

Father's Throne Room. And that is what you must know, do not whisper or think what you are receiving is not from Him. Blasphemy will keep you out of Heaven. When I was first delivered, the first few years, the Holy Spirit and Jeremiah my guardian Angel was speaking to me and teaching me many things most of which are located in the [Devotional Archives](#) on the eBlessing site and on two, now three notebooks which are like spiritual gold, silver or platinum to me. Soon after that period, Jesus would speak every now and then, but He would always, almost daily ask me, when I went looking for a j-o-b: "Isn't working for me enough?" Or "Don't I give you enough to do." Or "What? You do not like working for Me?" Or "Anthony, why are you going to look for a job? You have a job with me. Go home." And today, when I look for a job there is consternation in His Voice and I have great concern—do not want to upset the Lord Jesus, especially not the Father.

The Father has spoken to me about four or five times. But the Saints of old, the Prophets, Christ Jesus, and Father's Holy Family have and do speak to me daily; with King David coming into me at The Cathedral one Sunday when I was praying for the Holy Spirit to fall upon the congregation, King David, came into me and I danced around that church front in submission. Jesus now speaks to me now as often as the Holy Spirit. And Jesus wants me to move into Revelation and write devotionals about that eventuality which is presently bearing down upon us. I want to deal with the Hebrew question in Romans 11 (which is in direct conflict with the Messiah and St. John), which I believe put Paul in darkness, i.e., in a 20-40 foot pit with a 1 foot square hole for light; hear in "darkness."

So after this present devotional series, please brace yourself for the last series of Revelation devotionals. I do not what is in those devotionals and will not know until I sit here at the computer and read and listen to the Scriptures the Lord Jesus and the Holy Spirit direct me to read. Sometimes it is a scary thing because I do not know what I am going to see. I believe as I end that series and begin on what the Lord Jesus has for me to share with you, or world will be crumbling before your very eyes and you will be in deep frustration and consternation and in that part of the Bible which says, "their hearts will fail." Not to worry if you are saved though. Great peace and joy awaits you. But remember End of Days is fast approaching. Explanation to follow.

Now let me get started with this. Our Creator, Father God is Omnipresent. He is there with you right now in the form of Christ. He never leaves you. Your guardian Angel never leaves you. Speak to the LORD. Speak to your Angels, they will help you more if you speak to them. Acknowledge Me in all thy ways and I will direct your paths. (**Proverbs 3:5-6**) Remember, test the spirits; they are among us and are not afraid of us when they should be—that is because you do not know who you are in Christ—the Sons and Daughters of the Father. Act like it! Live like it! Be strong in the Lord! Because you are!

I didn't know if this devotional would be one part or more. Now I know. Hang on and bless your eyes to receive. Do not forget to use my secret prayer on the eBlessings' Prayer Page. [The Movie 2012](#) was about the end of the world. It was full of special effects and no real strong relationships, which gave you no anchor to the eventuality of it all. When I finally saw the movie, I knew then for sure the 2012 events were to happen, not because of the movie, but because they did not want you to believe that it would happen. The movie should have been a blockbuster, but the Illuminati do not want you to know the truth. Here comes the truth about [2010: End of the World?](#) (Friday, 15 August 2008)

We are not experiencing global warming. We are experiencing earth regeneration. Imagine a dog filled with tick and mites and fleas. The dog scratches and scratches and pests only continue to plague the dog. The dog's master purchases flea powder, flea collar, and pet products, but guess what? Those pests only come back and bite and bite and bite. The dog and master tires of this and the dog gets a bath at the vet and is not allowed to go out to play. Well the dog is the earth. And the earth is shaking its pests—the polluters, the waste-mongers, the haters of Creation, the destroyers of the Heavenly Garden so graciously placed us in to maintain. This Vineyard is Father God's and people act like it belongs to satan. Do not give evil this Garden which is your inheritance along with Heaven and spiritual things which you and I cannot begin to imagine.
