Monthly Reports, Part Three:

December January and February 2010 Reports (CONTINUED)

Dear Precious Brother & Friend James,

Academy Talk: Church Boys Foundation, works among youth in sporting field. And we are planning to establish training centers for various types of sports. But to do this we need vast land. People in Madhumalla in east Nepal have agreed to provide us huge land to start a sports center. There will be many types of sports and coaching

Academy Talk

program. Like: football training center, basketball coaching, swimming pool, athletic track, taekwondo and others. We can use all facility for the glory of God and for the spreading of the gospel. This will cause a big impact in east Nepal.

Land Purchase for Multipurpose Building

Land Purchase: Churches Network Nepal is a small organization that works with the Churches in Nepal to spread the gospel. Network has 11 member Churches and 5 Partner Churches. We do not have office or store room. One brother Prem Magar by name have agreed us to provide land in just 900000 Rupees (12500 UD \$). (The land price worth is

1900000 Rupees at current rate.) We would like to make a multipurpose building in this land which will host, Bible School, Leadership Seminar, Bible Distribution Office, Film Project Office, Churches Network Office, Translation Office, Prayer

Hall, Sports Ministry Office and a Guest House for visitor. We have given 200000 Rupees as a pledge to the land owner and we still need to give 700000 Rupees. There are lots of things going on here in Nepal. We do not have fund to go so please pray for this. I am planning to make a brochure and when I do that I will send you with more detail. I will also write email regarding this project.

7 Household: our Pastor Sudip reports us that 7 household have accepted Jesus as their personal Lord and savior. I have received many requests to visit churches and organize seminars for leaders. Pray that I will be able to do this. Many are hungry for the word of God. Many are waiting to be led to the higher level in ministry. All glory to God.

Prayers

New Church: we are planning to start a new Church in Ramechap, east of the capital. The Lord is opening doors for us to go there and into the new places where we have never been. Some places are very hostile. Genuine church planting is always in new places. Many mission organization they adopt existing Church and they make report and say 'we planted the new Church.' Pratap Tamang who comes to attend the Church has requested us to start the Church in his place. Please pray for this, we are planning to send some pioneer there. Every thing by prayer.

Please Pray for Bible School: We are running School of Evangelism and Church Planting in April for one month. Please pray for this school, that God will send right person for the training and and that God will provide finance needed to complete it. God has called us to go into all the world and preach the gospel. It is only possible when we train others. Many people are waiting to hear the gospel in Nepal. Your financial seed, no matter who small it is we will not mind, and no matter how big it is, we will not be surprised. Any amount is gratefully welcomed. Please share this prayers with others also. Let us partner together to raise many workers for our God.

Pray for Widow Support: also keep in mind regarding the widow. She is really worthy to be considered. One day we also become old and need other's support. Lets be the Church that cares for the widows (Acts 6: 1).

Film Project Equipment Purchase: This is Nepal's time to hear the gospel. Film Project Ministry can make it possible. Film ministry is one of the medium to tell people about the life of Jesus Christ. This is my experience that people are very much interested to watch film in villages. Film showing programs draws hundreds people. Our needs are: a. projector, b. power generator, c. dvd player, d. sound box, e. small amplifier, f. 2 microphone, g. curtains and wires. If any of you want to help us any of these items. We would be so glad to know. Finally, thank you for taking your precious time to read the reports. Please continue to pray for all the works that are happening in Nepal.
