The Illuminati own the Media organizations in all the industrialized nations of the world. One can scarcely believe what one sees and hears on television (tell-a-lie-in-a-vision).

“³³ Heaven and earth shall pass away: but my words shall not pass away. ³⁴ And take heed to yourselves, lest at any time your hearts be overcharged with surfeiting, and drunkenness, and cares of this life, and so that day come upon you unawares. ³⁵ For as a snare shall it come on all them that dwell on the face of the whole earth. ³⁶ Watch ye therefore, and pray always, that ye may be accounted worthy to escape all these things that shall come to pass, and to stand before the Son of man.”

LUKE 21:33-36 (KJ)

Muslims vs. Islamists. Part One. I am not knocking Islam or any other religion. For me the only way to Heaven is through Jesus, Who is The Christ; The Way, The Truth, and The Life. One can scarcely turn on television or radio without hearing about the “Democracy Movement” or the “Freedom Movement” in Libya or some other Arab country. Let me enlighten you to what is really going on. I cannot keep quiet any longer. **“For false Christs and false prophets shall rise, and shall shew signs and wonders, to seduce, if it were possible, even the elect.”** Mark 13:22 (KJ)

Muslims believe that if you are not a Muslim you are “kufur”, an infidel. You can be lied to without immunity, without guilt or remorse. They believe they do not have to obey “kufur” laws. What this means is that a Muslim will tell you anything and can tell you anything without any negative repercussions from spiritual law or Muslim society because they are not “kufur”, but all non-Muslims are. You have to hear that. That is one thing and here is the other.

(Islamists) Muslim extremists or fundamentalists or conservative Muslims believe that all other Muslims are not true Muslims; many Islamists considering Muslims who are not conservative to be “kufur.” Therefore, the Islamists believe it is okay

to murder or kill other Muslims who are not conservative. This amounts to a civil war in the Muslim community—world-wide. Why haven't it shown up before now you may ask? Listen closely. Every religion on the planet knows that this millennium is coming to a close and a new millennium is coming. This exchange of millenniums will happen December 21, 2012. So, since we are talking about Muslims in this devotional, the Muslim Islamists have positioned themselves in the different Arab countries as sleeper cells in preparation for what you are witnessing in different countries.

If the Islamists would come out forthright and say this is the coming of the “Caliphate” One World Muslim Government and the new “Caliphate” Leader, then the USA and other industrialized nations would be trying their best to crush it to death before that baby could get birthed. But in their carnal wisdom, the Islamists have students pushing for democracy and personal freedoms—this way the industrialized nations and the world with cooperate with the “movements” which will shortly install Islamist’s organizational leaders who will be moving to establish “Caliphate.”
