Hello to Jair's Sponsors and Supporters,

As you know, my fifth grader, Jair has been excited about participating in the People to People Student Ambassador Program and is planning to travel abroad this summer. As of today, we only have ten more days to reach our goal of about \$2,500.00 in order for him to go. I know we can do it. So many of you have prayed and sent positive and encouraging words to him that there must be a way to reach his goal by March 30, 2011.

One particular way we would like to thank you for any donation of \$50.00 or more is to gift you a beautiful work of art by one of Jair's sponsors, Mr. Roderick Vines. You may have seen his work and been inspired by the amazing detail and lifelikeness of the characters.

In case you have mentioned Jair to a friend of yours who said they would love to help him out... when they get around to it... or if you, yourself still want to do something for him, I have enclosed a round tuit that can be used especially for this occasion. Yes, a round tuit finally gives you the freedom to do what you really want to do, now instead of later. They are very useful and quite versatile. You can even keep this one and use it for other things if you would like.

Here it is:

To use this for Jair, all you have to do is go to the People to People website at <https://payment.peopletopeople.com> and enter Jair's last name and Delegate ID number:

Griffin  
10099357

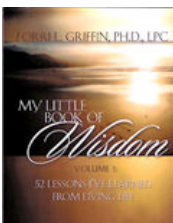

They keep your information so confidential that they do not even tell us about your gift, so please drop us a line and let us know so that we can formally thank you and get that nice piece of art work to you. If you would prefer a more personal gift, just give me a call. My number is below.

We trust that our community of love is big enough to make this dream come true for a determined and dedicated future point of light in the world.  
Thank you, thank you, thank you.

Love,  
Jair and Family
