Not to say you are not Christian, but many view life through intellectualism (what others think), peer-pressure (what others do), money-pressure (what others have); instead of spirituality (what Jesus said and did).

CHRIST TALKING NOT JESUS: “10 **Jesus** answered and said unto **him**, **Art thou a master of Israel, and knowest not these things?** 11 **Verily, verily, I say unto thee, We speak that we do know, and testify that we have seen; and ye receive not our witness.** 12 **If I have told you earthly things, and ye believe not, how shall ye believe, if I tell you of heavenly things?** 13 **And no man hath ascended up to heaven, but he that came down from heaven, even the Son of man which is in heaven.** (This statement implies that the Son of man, i.e., Son of humanity (Jesus) was in Heaven during this conversation. Don’t ask me how or why but this is the implication.) 14 **And as Moses lifted up the serpent in the wilderness, even so must the Son of man be lifted up:** (Christ speaks here in third person—because He, Christ, is another Spiritual Personality.) 15 **That whosoever believeth in him** (not “me,” but “him”) **should not perish, but have eternal life.** 16 **For God so loved the world, that he gave his only begotten Son, that whosoever believeth in him** (not “me,” but “him”) **should not perish, but have everlasting life.** 17 **For God sent not his Son into the world to condemn the world; but that the world through him might be saved.** 18 **He that believeth on him is not condemned: but he that believeth not is condemned already, because he hath not believed in the name of the only begotten Son of God.** 19 **And this is the condemnation, that light is come into the world, and men loved darkness rather than light, because their deeds were evil.”**

American Election 2008 - 11. Election Day. This devotional is about the [prophecy](#) of [E2](#): "McCain to win by a landslide," found on the [Prophecy](#) page. Please read American Election 2008 -1, Monday 1 September 2008; [International Daily Devotional Archives](#).

Okay, I voted. Not going to tell you who I voted for... just kidding. We are all in BIG trouble; not just Americans, but the world. Jesus is coming and He is not happy with how we Christians have been poor stewards over His Creation. It is a really big deal. Look at Revelation. Jesus is talking badly about the churches—I wonder which churches it applies to these days?

This is why we are in big trouble. I voted today for Obama. I had listened to a neighbor talk about how the Republicans had done this and that for so many years—negative things. As a Christian, he, like countless thousands of you, do not view life through the spectacles of spirituality, but see things through carnal eyes. Not to say you are not Christian but many view life through intellectualism (what others think), peer-pressure (what others do), money-pressure (what others have); instead of spirituality (what Jesus said, says, did and does). So I, like many others with no real choice—had to make one, i.e., a poor choice for the American President.

What we have are two or more evil camps vying for America—to run it in preparation for the Return of Jesus and the Great Tribulation and that which comes before it and after it—preparing to war against His Saints. So, you and I see an election; whereas what is really happening is...

...First... Obama. This is the problem. 1) I believe that both candidates represent only their personal interests and those of the FAT CATS who paid for their elections. (The American people should pay for elections—and election spending should not exceed \$250,000 for each candidate. Period.) Oh, you say, Obama got most of his money from the public, from people donating money on their credit cards. Right. The problem is your understanding. "My understanding is fine," you may say. Listen then.

2) Obama collected millions in unsolicited, undisclosed credit cards from all over the world—actually no one knows where they are from because they are not traceable. Can you smell a problem here? The answer is yes, that is a big problem here in America and where you are also.

3) Obama has a huge Jewish backing—Hebrew money—Israelite support. What is wrong with that? **“And every spirit that confesseth not that Jesus Christ is come in the flesh is not of God: and this is that *spirit of antichrist*, whereof ye have heard that it should come; and even now already is it in the world.” 1 John 4:3 (KJ)** If Jews (or Americans) are not born-again Christians, then they are antichristians. I don't care how much they say otherwise, be nice to you, give (loan) you money, or smile in your face. They murdered Jesus or tried to and are antichristians. They support both Obama and McCain-- which the more? They also run Hollywood. Can you say movies, television? Can you say satan the “prince of the power of the air.” (**Ephesians 2:2**)

4) Ignorant Americans believed in and still do believe in a tax relief for the Middle Class. Economics 101. In a closed system, money has to come from outside the system to improve the economic system; tax cuts for the Middle Class is like smoke being blown up your ss. Why don't the news people say so—remember they are the VALUE MAKERS, who get paid by the FAT CATS who own the company for which they work. They are pretty puppets on a string, right Robin? Let the talking heads get out of line, and they will be in a line—a job line today and maybe a soup line tomorrow. I have not received my Bush tax cut and in the state of Georgia there are millions in unclaimed tax relief checks. Remember, nothing in life is free, not even tax relief. There is a price. And the price is your children's futures. A tax relief for the Middle Class is nothing but a fart in American economics. A fart blown you know where. The FAT CATS know it. So they fed us a TAX RELIEF check, \$1,500 and stole \$700 billion+. See why I say that you are spiritually ignorant? You do not see what is going on or you choose to ignore it. Stop bending over and taking it up the behind. FAT CATS are DRILL KINGS or haven't you noticed. You will feel it and it will not be nice. “Thank you sir, may I have another,” you may say.

5) Obama promised the world—everything you wanted to hear. None of which will be delivered. Because just like Hillary Clinton thought she and her husband's big Democratic machinery could oppose BIG PHARMA—but it could not. They needed Christ to help, but alas they are politicians-- who needs Jesus? PALIN speaks of Jesus, no other. Obama says church. Church is not Jesus. The Catholic Church is the largest non-Christian church in the world—or should I say largest anti-Christian church in the

world. Everyone and their brother knows it but will not say it openly or in public for fear of reprimand. They aligned with the Jesus killers of old.

6) Obama has an addiction—tar, nicotine—TOBACCO. As one who used to smoke, I know it is more difficult to quit smoking than most people understand. Obama is hooked on tobacco—I'm talking about BIG TOBACCO. You see, while the auto industry spent millions of advertising dollars on television advertising, BIG TOBACCO did not, therefore there coffers are filled to the brim with money. Much tobacco money went to Obama for political favors. Do not be surprised to see cigarette commercials on television again if Obama is elected.

7) People with addictions--whether they are gone or not have addictive behaviors. These behaviors show up as big stuff, big work, big involvement. In the case of Obama, big PORK BARREL SPENDING which is not only his trademark but those of the who? FAT CATS. That is a large part or way they get much of their funding. That is why Palin is a great choice and why the FAT CAT VALUE MAKERS, including women, have slammed her. And slammed her. Did I say they slammed her? Yes, women slamming women—and they are not gay.

So, you and I see an election; whereas what is really happening spiritually is two different EVIL camps vying for control over the antichrist state of America. Say it ain't so? Say he didn't call America an ANTICHRIST NATION. This sounds like a whole new devotional to me—AMERICA. Two camps, two evil camps. McCain camp: Big Oil—NECROMANCERS. Big Defense Contractors—KILLERS & DESTROYERS. Hebrews—ANTICHRISTIANS. Banks—SUFFERINGS. Insurance—SUFFERINGS. Obama camp: Hebrews—JEWISH ANTICHRIST CAMP. Banks—SUFFERINGS. Insurance—SUFFERINGS. Catholics—CATHOLIC ANTICHRIST CAMP. Tobacco-KILLERS & SUFFERINGS. MAMMON in both camps. We are in big trouble. Where are the TRUE CHRISTIANS?
