Once an unclean spirit is inside you, it leaves the door, the window, the crack, or the pin hole open for others to follow. How to stop all of that.

**“For therein is the righteousness of God revealed from faith to faith: as it is written, The just shall live by faith. For the wrath of God is revealed from heaven against all ungodliness and unrighteousness of men, who hold the truth in unrighteousness; Because that which may be known of God is manifest in them; for God hath shewed it unto them. For the invisible things of him from the creation of the world are clearly seen, being understood by the things that are made, even his eternal power and Godhead; so that they are without excuse.”**

**ROMANS 1:17-20 (KJ)**

**“Put on the whole armour of God, that ye may be able to stand against the wiles of the devil. For we wrestle not against flesh and blood, but against principalities, against powers, against the rulers of the darkness of this world, against spiritual wickedness in high places. Wherefore take unto you the whole armour of God, that ye may be able to withstand in the evil day, and having done all, to stand.”**

**EPHESIANS 6:11-13 (KJ)**

**T**he Ether - 2. This is a spiritually mature devotional; not for “new” Christians. **(Caution. Caution. Caution.)** This information is important but dangerous to the ill-informed and unprepared. What I am going to tell you is real and should not be attempted by thrill seekers, adventurers, the curious, or novices, but only mature Christian spiritual warriors who are interested in or accustomed to approaching, binding, delivering others from, seeking deliverance from unclean spirits, and interested in performing other godly related exercises. This is real and this is spiritual. I will be speaking from my experiences.

Please ask Christ to allow you to receive this information because it is specifically for spiritual warriors, those on the spiritual warrior path, and those who plan to exercise their status as a spiritual warrior-priest of the Holy Father God. And for regular good old, spiritually mature Christian folk too! This devotional is a spiritual key; use it for active spiritual growth and empowerment.

The ether for the purpose of this devotional is the spiritual realm. I call it “the ether” because whenever I go into the spiritual realm it is gassy. Gassy as in smoky, not as in farty. Smile. Let’s continue. The ether is the spiritual realm where all the spirits hang out. There are good areas and bad areas, but it is right beside; you are always part in and part out. How? You must realize that you are spirit and flesh. That is extremely important to understand; to understand that your body is the vessel for your spirit. **“What? know ye not that your body is the temple of the Holy Ghost which is in you, which ye have of God, and ye are not your own?” 1 Corinthians 6:19 (KJ)** Without knowing it we all have one foot in the ether and one foot out. This devotional is going to let you know how to stop unclean spirits from beating you and beating your family up so much and for us to move the planet towards receiving Jesus—the only real **HEMELCOMING**.

When I was growing up in Henderson, North Carolina I attended Kesler Temple Church regularly, but knew nothing of the spiritual realm. When the oldest lady in church, Mother Champion got up shouting, I was afraid. I didn't know what was wrong with her—the Holy Spirit got into her is all.

When my dad who was diagnosed as paranoid schizophrenic would stand in the yard and talk to the air, I began to wonder about spirits. When my dad wrongfully accused us of saying things we did not say, I really started taking the Bible more seriously concerning unclean spirits. See the book [“Wardaddy.”](#)

When I saw a bat-like spirit come out of a wild, yelling and screaming parishioner at a North Carolina rural church, it was all the confirmation I needed when that “unclean spirit” flew out of that lady and out of the top of the church. I was convinced that Jesus was right. You have to get unclean spirits out of people. That is what Jesus was doing when He walked on the earth as a flesh man; just like you and I.

A friend of mine, Marion, asked me about portals. I told him that he was watching too much television or movies where he had seen portals popping out of thin air then disappearing. Remember folks, television and movies are not real, they do show some real things and depictions of life, but they are light and sound; electronics and celluloid. That conversation sparked me to write this devotional series.

There are a number of ways to go into the spiritual realm. The way most of us know is when we are slain in the spirit, dancing in the spirit, receiving or giving prophecy, perhaps when giving a word; but for most spiritually-minded Christians it is a highly emotional time whereby one supposes they feel “love” and feel, believe that perhaps the Presence of the Holy Father has surrounded them or the Holy Spirit has surrounded them or entered them or Jesus has entered their bodies or their hearts. All of these descriptions, including being enveloped in light, blue light, seeing

relatives, Angels, and other spiritual beings are not new to the “visiting the spiritual realm” experience.

Have you ever wondered how spirits can speak to your mind so easily? I am sure you have heard a whisper or a thought that was not you, not like you; and perhaps you would even say that it came from somewhere else. I have had that experience and so have millions of others. When this experience happens again, simply say, remember to say, “The LORD rebuke thee.” Or “Jesus rebuke thee.” Or “Be gone by the Blood of Jesus.” Or “Leave you unclean spirit.” You will be amazed at how effective those words are when you believe. Apply faith as you speak those words.

I mean during the course of this day, if ANY, and I mean any negative thoughts enter your mind about anything, do not accept it by saying those phrases. Do not accept the thought as being from you—deal with it as though it is from an unclean source; or for the more intellectual, deal with the negative thoughts as not being positive and therefore you do not want to deal with them. You only want to deal with positive thoughts that move positive energy forward, that moves our Father’s Agenda forward—establishing His Kingdom on earth and in His Creation. (TO BE CONTINUED)
