

Friends

Friends are there for you
when life seems so tough.
Friends are there for you
when you've had just enough.

Friends give you their shoulder
when you've just got to cry.
Friends speak up for you
when you're feeling so shy.

When you're being bullied
a friend stands strong by your side.
If you've been hurt
that friend thanks God you're alive.

My friend guides me away from
the friends that aren't for real.
Because of them, I've gotten angry
With them, that friend helped me deal.

See, God has blessed me
with a great friend like you.
Continue to be a star
nice, and funny, too.

You've been with me through
the thick and the thin.
Sometimes I felt like giving up
but you said that I could win.

I wanted to stop
and to take the time
to say, "Thank you,"
for a great friendship- yours and mine.
For all that you've done
I thank you so much.
You've blessed me by being
a great friend and such.
