*Our Father's Holy Family existed a very, very, very, very, very long time before flesh ever existed. I can't say "very" enough times.*

**T**he Mystery of the Wheat and the Tares - 1. Two Beginnings.

**(Matthew 13:24-30)** This is so important. The antichrist does not want you to know this. Read and hear with spiritual ears and eyes. This will help

you maneuver through the upcoming spiritual events which are impacting and will impact our lives more as the Bible reveals itself.

In the beginning the Holy Father created the heavens and the earth.

**(Genesis 1:1)** This is the second beginning or the beginning of the season of man; the beginnings of the Father's Physical Creation of which we are a part—the beginning of TIME as we know it through our history.

**(John 1:1)** The First Beginning is really non-existent since time exists for us humans and without time, beginning, any beginning is moot because there is no time line. Let's move on. But for this devotional, the First Beginning is that beginning spoken on in **John 1:1**. That Beginning was a beginning before the beginning of Creation (hear: before the Creation of Man). That beginning happened before man or woman was created (hear: before FLESH was created.) What? This flies in the face of what we have been taught: that Jesus was in the Beginning with Father God. This could not be so because flesh was not created until the six day of the Creation of Man. Let me repeat this for you.

We have been taught or lead to believe or we did not meditate on the Words of Jesus enough to get the Knowledge and Understanding that when you hear, in the Beginning was the Word, and the Word was with God and the Word was God—that the "Word" here means Jesus. That is incorrect. This is not blasphemy—you need to listen and continue reading.

Jesus was a flesh man while on earth before Crucifixion. Flesh was created on the six day of Creation. The Beginning of Saint John contains

only SPIRITUAL BEINGS, not one being of flesh. You see, flesh was created sometime after the Saint John beginning—Our Father’s Holy Family existed a very, very, very, very, very long time before flesh ever existed. I can’t say “very” enough times. Our Father has been around longer than we can comprehend. To think Creation is the Beginning of our Father and His Kingdom is naïve and lacks the Understanding of Christ.

Remember, anything concerning Christ, the antichrist attempts to keep from you.

What does this all mean? Is it supposed to mean something? Yes it means something; it means a lot of “somethings.” Let me start with this one. (to be continued)
