GOD WILL SPEAK TO YOU

Make a Space for God. Now that you have spoken to Jesus and poured your heart out to Him, this is what to expect. He is going to speak back to you. Now, you may be one of the few lucky ones to whom the Lord speaks back in

their physical ears. If that's not you, then He will speak to you, to your spirit soul, from inside of you either in your mind, in your heart or in your spirit.

The Lord will use any of His creations to communicate to you from outside of your spirit soul. And I do mean anything or anybody—just listen for God in your life. He is speaking.

Our Holy Father wants an intimate relationship with us. He wants a relationship as intimate as our most intimate relationships.

God speaking: dreams, visions, other people, children, animals, walls, roadblocks, Angels, virtues, discerning, intuition, “Something told me”, “I knew not to or to do a thing”, “I knew better”, “I felt trouble down that road”, and more.

God will speak to us in our minds in a small, quiet voice. Knowing that He is going to speak to us in a

small, quiet voice (generally in small, quiet ways), it is important that we turn off the white noise and the gray noise in the background of our lives.

Still yourself on the inside. Turn off those negative thoughts, those thoughts of tomorrow, those thoughts of worry, the negative emotions or the over-exuberance, selfish desires; anything which may hinder you from receiving from the Lord.

Still yourself on the outside. Turn off that radio, that CD player or boom box. Get off the phone with your friends— stop gossiping. Turn off that television!!! Get rid of the mean face, the jealous face, or the ugly face.

If you have to make a quiet space to hear the still quiet voice on the “inside”, then understand you have to make a quiet space (a less rushed space) on the “outside”, in your environment (at home, at work, at school, at play, at church) for God to be heard clearly and concisely. He will speak. He speaks all the time; we just aren’t listening, or we are calling it something else.

Make a space, a mental and spiritual state of mind, to hear from God. Many people prepare a physical space dedicated to the expectation of God's Holy Presence.

Do you want an opportunity to be able to hear God's voice? If you are going to have an intimate conversation with your spouse or your best friend, you don't do it with the television blaring, do you? Why should GOD be different? Remove the distraction of the television.
