GOD WILL SPEAK TO YOU

EXAMPLE: HOW TO HEAR

To get an idea of what it has the potential to sound like for you, try this. The Holy Spirit shared this with me for you.

1. Pick up a Bible and read a selected verse in your speaking voice. What did you hear? Not what you

understood from the Passage, but what you actually heard.

2. Now read the Bible verse silently. Listen. What did you hear? Not what you think the Scripture means? Nor what you got out of It?
3. Now read the same verse silently and listen while you read to what you hear. While you are reading listen to what you hear.
4. You hear your voice in your head. You hear your voice in your head reading what your eyes are seeing. You hear your voice in your head reading what your eyes are seeing and your mind is interpreting it into thought. We are so busy interpreting and understanding what we read, that we do not pay attention to what we are actually hearing.
5. Read it again and listen.

That voice is the avenue that all three voices will use to speak to you! That small voice that you are now hearing as you read these words right here is the voice you should listen for when you are listening for the LORD, our Father! It will be a still, small voice like the one you are hearing right now! The Holy Spirit told me to tell you that.

When you hear the “voice” of God speaking to you and you don’t know if it is from God, remember that God is right beside you—in the form of Jesus.

Ask Jesus daily, moment by moment, at any time of the day or night for answers to any of your questions, then listen for the still small voice which will most assuredly, speak to you. Christ Jesus is speaking to you right now—you must listen for His Voice.

If you do not understand something, ask Jesus or the Holy Spirit.

“I will instruct thee and teach thee in the way which thou shalt go; I will guide thee with mine eye.”

Psalm 32:8 (KJV)

Let’s look at an example of how the three voices work.

Let’s say your mother asks you to take out the trash. You hear three voices. One tells you that you don’t want to do it: self. One tells you to tell your mother where to go: satan. And one voice tells you to not only take out the trash, but to wash out the trash can and put a new liner in it: Our Father.

The voice of God will come to you in a very simple straightforward way. It will be quiet and will give you simple

directions to follow. Your Father will speak to you to tell you something to do that is really simple, e.g., turn right here, don't go there, walk straight, look at that, turn off the television, change that radio station, do this, or do that. It is important to follow the commands of the Lord! It is imperative to follow the daily commands of the Lord! Our Father has lined things up for us to receive and when we obey, we receive. Simplicity.

“But this thing commanded I them, saying, Obey my voice, and I will be your God, and ye shall be my people: and walk ye in all the ways that I have commanded you, that it may be well unto you.”

Jeremiah 7:23 (KJV)
