## **Each** One! **Bless** One! **You Make a Difference!**

We are in the season where we will see the death of Tradition.

"Jesus turned and said to them, "Daughters of Jerusalem, do not weep for me; weep for yourselves and for your children. For the time will come when you will say, 'Blessed are the barren women, the wombs that never bore and the breasts that never nursed!' Then " 'they will say to the mountains, "Fall on us!" and to the hills, "Cover us!"

**LUKE 23: 28-30 (INT)** 

nd of the World? – 5. Please read End of the World? -1, before continuing, Friday, 15 August 2008 Devotional. Thanks. Of the upcoming natural disasters there will be survivors, many, many survivors, but not without planning. The "2012" season is an eight year long one. The effects of this season will be felt hundreds of years after the eight years are done. Year one starts this year—year one starts in December of this year.

We are in the event horizons for two of the events; events one and three. Of the second, I do not know if it will happen due to the lack of credible evidence; but there are many astronomers around the world who say it will. Here are the events again:

 Heightened solar activity. - 2. Our solar system crosses the galactic plane (hear: equator) of our Milky Way galaxy. <a href="http://en.wikipedia.org/wiki/Galactic\_equator">http://en.wikipedia.org/wiki/Galactic\_equator</a>
- A brown dwarf sun (with a complement of planets and other heavenly bodies) moving into our solar system. The Planet X event. <a href="http://adsabs.harvard.edu/abs/2007DPS....39.6408L">http://adsabs.harvard.edu/abs/2007DPS....39.6408L</a>; <a href="http://blogs.discovermagazine.com/badastronomy/2007/04/24/huge-news-first-possibly-earthlike-extrasolar-planet-found/">http://blogs.discovermagazine.com/badastronomy/2007/04/24/huge-news-first-possibly-earthlike-extrasolar-planet-found/</a>; <a href="http://adsbit.harvard.edu/cgi-bin/nph-iarticle-query?bibcode=1988AJ.....96.1476H">http://adsbit.harvard.edu/cgi-bin/nph-iarticle-query?bibcode=1988AJ.....96.1476H</a>

Let me tell you this: the <u>American Election</u> and these upcoming planetary evolutionary events are both connected in Revelation. The American Election will usher in the General of the LORD's Army (Prophetic). He will purge the antichrist elements from it—making it a main component of the ARMY OF THE LORD. This army will be in direct conflict with the American Mercenary Army, which is presently in Iraq, an army for hire—hired by the antichrist. Do not hear "Muslim" in any of this—they are not the enemy. Jews are not the enemy.

The antichrist is the enemy and it is presently setting the stage to install a European Finance Czar whose world-wide, global institution will integrate a CREDIT system in Europe throughout its institutions. This is happening today. Where you can see this--the antichrist moving into this position is here in America. \$700,000,000,000 BILLION USD can start a new country or it can start a NEW WORLD ORDER FINANCIAL SYSTEM. You need to hear this.

This money could fix most of the USA's problems and many of the world's problems could be curtailed, repaired, eliminated, or handled better than they are today with this money. It can fix most of what is wrong in America and raise the quality of living for most of the third world countries with proper utilization. So watch how this \$700,000,000,000 will be spent; it will be spent, because you are not in control—but made to believe that you are in control—this brought to you by the VALUE MAKERS; hear: the PRESS.

It will be spent and somehow this American financial thing will become a world-wide financial thing where the Europeans are given the reins because they are proven better money managers than Americans. This positions European countries to have more leverage than other countries.

But what it really does is position, the "Seat of satan" to steer the mechanisms of the new Financial system and implement money- and time-saving measures which amount to the "Mark of the beast.," an implant that fits easily and unseen under the skin. If you get it at birth, you will never know that you have it.

What to do. Now is the time to start purchasing dry goods, dried meats, beans, rice: dry anything. I had been saving canned goods and frozen goods, but now I know that those will not work. Frozen goods will only last a few hours or days after there is no power. (Power will be lost ushering in an "age of darkness.") Canned goods will be contaminated by some ultraviolet or nuclear or some type of radiation which makes the food inedible. (Hear: nuclear radiation from wrecked power plants, et.al.)

Collect bottled water. Gas-powered generators will be good. At some point in all of this, the next four years (after December 2008), batteries will explode (hearing aid/automobile/etc), butane lighters will explode, natural gas deposits will explode, oil deposits will catch fire. Fire will rain down from the sky from meteors, meteorites, rocks from volcanic explosions, rocks/debris from meteor or comet strikes. It is going to be bad folks; but there is escape. What does Jesus say to do during this time? This is why it is important to know Jesus is the Word, LOGOS. You follow His Word—His Words—and you will be okay. Get off that track—as <u>AC Brown</u> says, "You will be the loser."

This is Jesus speaking. "Then" 'they will say to the mountains, "Fall on us!" and to the hills, "Cover us!" Luke 23:30 (INT) Translated, this means find a cave; find some big mountains to get under. That is why you hear young people talking about an underground world, a world of refuge. Theologians think of Petra. The three planetary evolutionary events have happened before and will happen again; every 35,000 years. The survivors before used caves. The major governments of the world have built their caves as well. Anyway, that is it for now. Prepare.
