### **Each One! Bless One!**

*Because of 2,000 years of antichrist domination  
in people's lives, through evil imaginations and other evil influences,  
many people live carnally, naturally, and unnaturally.*

**“28 And even as they did not like to retain God in their knowledge, (Did not keep and follow the Teachings of Christ Jesus.) God gave them over to a reprobate mind, (Allowed them to follow their own wills; to live carnally and subject to the power of evil.) to do those things which are not convenient; (To things which are not convenient nor leading to spiritual growth and supernatural ability like Jesus.) 29 Being filled with all unrighteousness, fornication, wickedness, covetousness, maliciousness; full of envy, murder, debate, deceit, malignity; whisperers, 30 Backbiters, haters of God, despiteful, proud, boasters, inventors of evil things, disobedient to parents, 31 Without understanding, covenantbreakers, without natural affection, implacable, unmerciful: 32 Who knowing the judgment of God, that they which commit such things are worthy of death, not only do the same, but have pleasure in them that do them.”**

**T**he Great Deception. Part Six. Personification-2. See Part One of this series, Friday, 13 August 2010. Brother Nikola Dimitrov from Bulgaria, the author of [“The Four in One Gospel of Jesus”](#) says, that “Satan” has only one tool, which he uses, and that tool is DECEPTION. I believe that The “Great Deception” is: that Christians do not believe that the Kingdom of Heaven has not come to humankind. The Kingdom of Heaven having come means each one of us can and should be doing miracles, signs, and wonders like The Messiah. **“Verily, verily, I say unto you, He that believeth on me, the works that I do shall he do also; and greater works than these shall he do; because I go unto my Father. John 14:12 (KJ)**

You may say, “Anthony, you are taking this thing too far.” “Do not think too deeply.” Or some may say, “You are on another level.” Still others

may say, “You think you are so holy; you are so holy that you are no earthly good.” And let us not forget, “The Bible is speaking metaphorically.” Believe you me, I have heard some of this from people.

Evil has been very subtle in its approach, in its attack on humankind of the years—but no longer is that the case, because evil knows, like some of you, but not many of you, that Jesus’ Rapture is upon us and most are not mindful of it—but are mindful of money, bills, health issues, and carnal things which block our seeking spiritual growth and watching and looking for The Messiah’s Return, His Rapture.

The subtleness of the antichrist attack: saying the Bible is the Word goes like this. The antichrist is attempting to minimize The Christ, or Jesus. In all honesty, no matter where you are in your spiritual growth, I must say, the antichrist is not worried about you knowing about Jesus, not really; the antichrist wants your mind off of The Christ—wants our minds totally off of The Christ. The Christ is a mystery that has been hidden throughout the ages and many scholars, theologians, pastors, bishops, etc, know about this mystery, but they also know that you cannot grasp it. People cannot grasp this concept mainly due to: 1) the influence of the antichrist and evil in day-to-day life, 2) the lack of the Holy Spirit in one’s life, and 3) the lack of time in the Scriptures.

The antichrist attempts to minimize the words of Jesus. The antichrist wants to water down, to dissolve, to make the “Teachings of Jesus” go away as much as possible. How does the antichrist do this? By making all or as many words in the Bible equal to the words of Jesus. Let me say it again a different way. The antichrist has been calling the Bible the Word of God, when Jesus is the Word of God. This is in an attempt to minimize the Teachings of Jesus and place on the same level, on the same pedestal, the teachings of the students of The Messiah with Jesus’ Teachings; in other words to make the Teachings of our Heavenly Father on the same spiritual plane as Paul, and the Disciples, and the Old Testament writers.

It is an impossibility and a lie from hell to say that the Teachings of Jesus Christ are not superlative to all the other teachings in the Scriptures. But

the antichrist has Christians around the world calling the Bible the Word, when **John 1** clearly states that Jesus is the Word. The Bible never has taken legs and walked. The Bible was not written when these words were written. And lastly, hold the Bible up to your ear and see if it has said something or will ever say something to you physically. Then why are you saying, “The Bible says...” Why is your pastor saying, “The Bible says...” When you or I or anyone say, “The Bible says...,” we are personifying an inanimate object and giving it the power which resides in Jesus Christ and power which resides in us. Do not give your Power from Christ to your Bible by calling it the word—Jesus is the Word and The Christ resides in you. The Power of Jesus resides in you and I.

We would be better served if we were walking around saying, “The Holy Spirit told me this.” Or “Jesus told me this.” Or “The Angel said...” But instead the antichrist has Christians walking around saying, “A book said this, and that this book is the Word; when that same book, the Bible has it written that Jesus is the Word. It is better to say, “It is written in the Scriptures...” Or “It is written in the Bible, that Paul said, or Jesus said...” You see your Bible, those pages are made of wood and will never and can never say anything and can never, ever replace Jesus Christ, Who is my Lord and your Lord and Savior.

And because of the domination of the antichrist in people’s lives, through evil imaginations (coming primarily through media) and other evil influences, people live carnally (following their own wills instead of God’s Will), live naturally (following the desires of their flesh), and live unnaturally (living against what is the primary order in nature). This is what happens to humankind under antichrist influence. **“<sup>24</sup> Wherefore God also gave them up to uncleanness through the lusts of their own hearts, to dishonour their own bodies between themselves: <sup>25</sup> Who changed the truth of God into a lie, and worshipped and served the creature more than the Creator, who is blessed for ever. Amen. <sup>26</sup> For this cause God gave them up unto vile affections: for even their women did change the natural use into that which is against nature: <sup>27</sup> And likewise also the men, leaving the natural use of the woman, burned in their lust one toward another; men with men working that which is**

**unseemly, and receiving in themselves that recompense of their error which was meet. Romans 1:24-27 (KJ)**

Here are some other examples, non-spiritual examples of how the antichrist has penetrated the thinking and minds of Christians around the world. When people treat their animals like they are humans, they are under the power of the antichrist, making their animals humans in their minds. Buying clothes for pets as if they are human is out of the natural order of life. Spending more money on pets than on church needs or the needs of other humans is out of order. When you have to decide whether you should send money to help disaster victims or get your pet an operation or buy it the latest pet thing-a-ma-jig, your life is out of order. Father God is watching all of this and is not happy about it. Perhaps if all the children on the planet went to bed with filled stomachs, Father God would not be so unhappy about it.

People will also treat their automobiles as though they are personified. They will give the car a name and not allow you to sit on it, touch it, or hurt it in any way. People give their golf clubs names and personify them. People personify all types of inanimate objects as well as animals. Listen to how a person under the power of the antichrist as it pertains to personification speaks. "You have to treat the house with respect. You have to respect the house." The person is giving the house human qualities and expecting and demanding respect for an object; thereby giving the object power over the human. You will hear people say things like this about the house the bank owns, but they think they own. You do not own the house until you own the title, then you own the house; until then you are a steward over the bank's mammon. When people give more power, respect, attention, focus, and interest in inanimate objects and animals, especially naming them and catering to them, be mindful of the presence of the enemies of Father God and how they may be influenced in other areas.
