*Will your enabling a person to commit ungodly acts and live an ungodly life keep you from going to Heaven and truly enjoying the benefits of our Lord Jesus' sacrifice?*

**“<sup>33</sup> They answered him, We be Abraham's seed, and were never in bondage to any man: how sayest thou, Ye shall be made free? <sup>34</sup> Jesus answered them, Verily, verily, I say unto you, Whosoever committeth sin is the servant of sin. <sup>35</sup> And the servant abideth not in the house for ever: but the Son abideth ever. <sup>36</sup> If the Son therefore shall make you free, ye shall be free indeed.” John 8**

In my words: an enabler is a person who knowingly allows someone to live, operate, exist, speak, and do things which are incorrect according to the Holy Scriptures, nature, physically, mentally, emotionally, and spiritually. Not only do they allow a person to exist in an ungodly state of being but they assist them to stay in that place of existence; helping them to stay in their bondage. The enabler is an accomplice to the sin, to the sinful nature, to the attitude and action of the evil with helps to perpetuate the situation—the suffering, the demise of the person keeping them from being an integral production part of society and the church body corporately.

In the words of Merriam-Webster: Definition of ENABLER: one that enables another to achieve an end; especially : one who enables another to persist in self-destructive behavior (as

substance abuse) by providing excuses or by making it possible to avoid the consequences of such behavior.

Wow. Check that out. An enabler can be a good enabler or an enabler can be a bad enabler. Which are you? An enabler in the negative sense of the word, spiritually speaking is a person who in their household will allow irresponsibility to exist where it should not. An enabler enables a person or persons to continue in some sort of bondage; of which there are myriad. If a person has a physical, emotional, or mental bondage, they have a spiritual bondage. When a person has a spiritual bondage, they have an evil spirit somewhere in their vicinity. Really?!--You may be thinking. Really. Some skeptics do not believe Christ Jesus of Nazareth was going around casting out devils. They believe otherwise when the Holy Scriptures, time and time again speak of King Jesus delivering people from devils. These people were in spiritual and physical bondage. They were being enabled by their sin which may or may not have helped them get into those bondages.

Let me bring it on home. I am talking about physical, mental, and emotional bondages in which people have and in which other people keep them. Some of the reasons people keep other people in bondage is: they do not want to be alone, they do not want to worry where that person is, they do not want to make that person angry, they think enabling a person will make or keep them happy when they are not really happy—alcohol and beer and drug happiness is not really happiness. Is it? (TO BE CONTINUED)
