

*This is the sign of the Bride being ready and the Groom coming...*

**“But of that day and that hour knoweth no man, no, not the angels which are in heaven, neither the Son, but the Father.”**

**MARK 13:32 (KJV)**

**P**rophecy #1. **Coming Age of Christ.** Let me first say that I do not believe Jesus, who is the CHRIST, is going to come back any time soon because the Church is not ready to receive Him. The Church as a Bride for Christ is not ready. You will hear the enemy say, “Christ is about to come because television can reach the world and that is how everyone can see Him at one time. The fallacy is: in the backwoods, in the tribal areas of the world, in the places of the world that doesn’t have television, the people there cannot see Him on it.

The long and short of Jesus coming back is this: 1) Jesus didn’t know when the end was coming, and 2) many prophecies point the way to the Return of Christ. Has it ever occurred to you that Jesus, Himself did not know and did not focus His attention on that event, but focused on the events in His daily life and the daily lives of those who were suffering around Him and those who allowed the suffering to continue. Some will say, the people studying the prophecies for His Coming have been doing it longer than I have. Yes, sure, I say. Also, note that the demons have been studying the prophecies for His coming for longer also. Note also, the Holy Spirit will teach you all things.

Okay here it is: This is not prophecy. This is my receiving what I have been looking for and searching for, for years—the physical evidence for the coming of the AGE of CHRIST. During this Age of Christ, Jesus, who is the Christ can come during this Season, but the Bride must be ready to receive Him.

How many disciples did Jesus have? Twelve. (12) When Jesus walked the earth and people recognized Him as Messiah, when He and His Disciples came into town how many people were in his party? Thirteen. (13) So, thirteen is not an unlucky number for Christians; it is a great number—the ANTI-CHRIST, the enemies of God and man would have you believe it is unlucky.

Many civilizations including, but not limited to the Mayans have predicted, prophesied, or is expecting the new millennium—a new age. This new age coming is a spiritual event—a global, a universal event. Do some research.

Remember, the spiritual and the physical are connected. Really you ask? You have a body (physical) and a soul (spirit) intertwined together from birth and

released from one another at death. Yes, really. The circle is representative of God above and man below; the Spiritual and the earthly. For every spiritual event there will be a physical event. Check it out and see. It is true. Check it out.

So, supposedly there is a new age coming—that is a spiritual event. Then I am now looking for the physical evidence for the spiritual event. (Or you can look for the spiritual evidence for a physical event. Either way works.) Then I hear that scientists around the world have agreed that the “wobble” of the earth will stop in five years. The earth rotates around the sun. It spins about 1,500 miles per hour on its axis. And the earth wobbles. This wobble will stop and we hope and suppose that it will start again so after stopping. Who knows? God knows.

Here is the kicker. The scientists have empirical evidence for this wobble and this wobble stopping. The last time it stopped was: 13,000 years ago. There is that number again: 13. (Note: it is 13 with a group of numbers behind it—global.)

Now if there is prophesy in this, here it is: When the earth stops to wobble, I suppose it will be like water in a roasting pan filled to the brim. Rock it gently until the water is just about to go over the top, then stop the pan from rocking. Note that one side of the pan will have water overflow its sides. This is what I believe is going to happen to the earth on that sides of the earth where the water will slosh out will be devastated inland for a few miles, but only on one side of the pan (oceans, seas, lakes, rivers, any large body of liquid). This is revelation, not a tactic to spread fear or panic. Pray about it. The Holy Spirit will teach you all things.

The disasters caused by this devastation will have people saying this is Armageddon or the Tribulation; it is not. They will say it is the end of the world; it is not. It is the earth moaning as it births the AGE of CHRIST. This physical earth wobble stopping is the physical evidence for the coming of the new age.

The date for this occurrence is: December 21, 2012. Do a Google search for this date to see what comes up. Okay, do some research and get back to me. Have a blessed day!

## JESUS IS COMING
